Part ethnography, part history, and part memoir, this volume chronicles the complex past and dynamic present of an ancient Mizrahi community. While intimately tied to the Central Asian landscape, the Jews of Bukhara have also

maintained deep connections to the wider Jewish world. As the community began to disperse after the fall of the Soviet Union, Alanna E. Cooper traveled to Uzbekistan to document Jewish life before it disappeared. Drawing on ethnographic research there as well as among immigrants to the US and Israel, Cooper tells an intimate and personal story about what it means to be Bukharan Jewish. Together with her historical research about a series of dramatic encounters between Bukharan Jews and Jews in other parts of the world, this lively narrative illuminates the tensions inherent in maintaining Judaism as a single global religion

over the course of its long and varied diaspora history.

Kayleigh McEnany describes her path to the White House podium, bringing the reader behind the scenes in the world's most powerful building and illuminating how faith got her through. If you would have told me that in the year 2020 I would stand at the White House podium and communicate with the American people as COVID-19 ravaged the globe and violent protests beset the nation, I would have told you that you were crazy. But Jesus Christ had this very plan for my life. From White House intern to White House press secretary, from production assistant to national television host, from Catholic all-girls high school to Harvard Law School, God has guided my path through uncharted territory. In *For Such a Time as This*, I will chronicle my journey to the White House and offer never-before-told anecdotes about what really happened within the Trump administration. You will experience some of the most high stakes moments in the West Wing right alongside me as I reveal how faith got me through.

Who is the Holy Spirit? A Devotional Journey

Through the Book of Acts Indiana University Press

A "superb" account of the enduring connection between humans and horses— "Full of the sort of details that get edited out of more traditional histories" (The Economist). Fifty-six million years ago, the earliest equid walked the earth—and beginning with the first-known horse-keepers of the Copper Age, the horse has played an integral part in human history. It has sustained us as a source of food, an industrial and agricultural machine, a comrade in arms, a symbol of wealth, power, and the wild. Combining fascinating anthropological detail and incisive personal anecdote, equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses. In paintings and poems (such as Byron's famous "Mazeppa"), in theater and classical music (including works by Liszt and Tchaikovsky), representations of the horse have changed over centuries, portraying the crucial impact that we've had on each other. Forrest combines this history with her own experience in the field, and travels the world to offer a comprehensive look at the horse in our lives

today: from Mongolia where she observes the endangered takhi, to a show-horse performance at the Palace of Versailles; from a polo club in Beijing to Arlington, Virginia, where veterans with PTSD are rehabilitated through interaction with horses.

"For the horse-addicted, a book can get no better than this . . . original, cerebral and from the heart." —The Times (London)

World History GENERAL PRESS

Author's Note By looking into The Book of Life, Humanity's Soul Records, Sophia witnessed that Souls began their sacred journey in a "fall" from grace that shattered their innocence and caused a splintering of the personality. In four simple words, Sophia came to understand the Soul's *raison d'être* for existence—it is for The Education of Innocence. That secret has been well hidden within great Mysteries coveted by ancients in the sacred Temples of old. But why was that secret hidden? What does that secret reveal about the true essence of our nature? Once that true essence is known, how could that awareness bring knowledge that could change our lives? In essence, what does innocence have to do with Divine power? The Education of Innocence portrays the archetypal story that rings true for every incarnated Soul. The stages of a Soul's sacred journey are metaphorically portrayed, revealing the "fall" that had devastating consequences upon humanity's

collective psyche, and what now compels an awakening in global consciousness critical for survival. When innocence became shattered, a shadow rose in place of light. Without understanding the shadow, one can never transcend illusions. Without transcending illusions, the admonition (deliberate use) in the bible, "Ye are Gods," can never be known again. The Master awaits. Book II opens in the Underworld of Darkness where a Dark Lord is reminiscing about events that shaped his brutal character, accountable for his splintered Soul. Striving to fulfill the Black Oracle to claim dominion over the Empire of Darkness, he must overcome impossible odds. Little Sol awakens to his destiny, with Initiations of remembrance guided by the Wizard Domaine. A whole host of sea creatures portraying Shadow and Light clash during the Apocalyptic times of The Final Reckoning. With the outcome unknown, the Immortals of the Original Ancestry of the Gods must come into remembrance if the Kingdom of Oceana is to be rescued from its terrifying fate.

The Negro Motorist Green Book W. W. Norton & Company

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed.

Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
