### Saving Grace A.D. Justice

A comprehensive and scholarly account of this popular and influential genre, the essays in this collection explore confessional literature from the mid-twentieth century to the present day, and include the writing of John Berryman, Anne Sexton, Ted Hughes and Helen Fielding. Drawing on a wide range of examples, the contributors to this volume evaluate and critique conventional readings of confessionalism. Orthodox, humanist notions of the literary act of confession and its assumed relationship to truth, authority and subjectivity are challenged, and in their place a range of new critical perspectives and practices are adopted. Modern Confessional Writing develops and tests new theoretically-informed views on what confessional writing is, how it functions, and what it means to both writer and reader. When read from these new perspectives modern confessional writing is liberated from the misconception that it provides a kind of easy authorial release and readerly catharsis, and is instead read as a discursive, self-reflexive, sophisticated and demanding genre.

### Light Among the Shadows Jessica Kingsley Publishers

“What I had done was extreme, but like a wild animal stuck in a trap, I knew the only way to survive was to relinquish my own limb. It was the last frantic vestige of my attempt to keep on living, despite there being nothing left to live for. I was hollowed out. Only tender bruised bone remained as I followed the endless white line of the highway.” Lara is running from a fractured marriage, and an unfathomable loss that consumes her. Drawn to the beautiful, open expanse of sky and the possibility of a new life, Lara finds herself working on a secluded property in Montana caring for horses. There she meets Peter, a man trapped in the darkness of his disability and closed off from the world around him. Together, they forge a connection that is tender and fervent as the walls they have built around themselves begin to crack. But can two broken people truly find healing in each other? Or will the wounds they carry be too deep to repair? *Light Among the Shadows* is a journey of love and redemption, of choices that define us, and the delicate dance between the past that holds us back and the future that beckons us forward.

### A Hot Piece of Sass Melanie James

Volumes have been written by and about Patrick Leigh Fermor, but his wife Joan is almost entirely absent from their pages. Now, Simon Fenwick, archivist of the Leigh Fermor papers, tells Joan's story in *Joan: The Remarkable Life of Joan Leigh Fermor*. A talented photographer, Joan defied the social conventions of her times and, though she came from a wealthy and well-connected family, earned her own living. Through her lover, and later editor of the *TLS*, Alan Pryce-Jones, she met and mingled with the leading lights of 1930s bohemia - John Betjeman, Cyril Connolly, Evelyn Waugh, Maurice Bowra (who adored her) and Osbert Lancaster, among others. She featured regularly in the gossip columns, not only for her affairs and her fashionable clothes, but for her intrepid travels to Russia and America. In 1936 she met and subsequently married the journalist John Rayner, but her belief in open marriage was not shared by her husband and their relationship foundered. Then, in 1944 in Cairo, where she was a cypher clerk, she met Paddy Leigh Fermor, lionized for his daring kidnap of the Nazi General Kreipe in Crete. They would remain together until her death in 2003. In this riveting biography, written with full access to Joan's personal archive, Simon Fenwick reveals the extraordinary life of a woman who, until now, has been defined by the man she married and their famous friends. Here, at last, Joan is placed at the centre of her own story. It is also a riveting portrait of a marriage and a milieu, revealing the sexual and intellectual mores of that wartime generation who lived life at full tilt, no matter what the consequences.

I wanted to ask for a divorce. Instead of the fight I expected, she agreed—with a few stipulations, all of which revolved around our son leaving for college in the fall. Keeping those promises would be a challenge, no doubt. But all I had to do was uphold my end of the deal then walk away without a backward glance. Somewhere along the way, our charade became my reality. With each day that passes, I realize time is once again my enemy. I can't lose her a second time. I'll never walk away—she healed my soul. *Saving Grace* is now my only hope. *Virtually Vampires* Createspace Independent Publishing Platform Leah Grey was still in her twenties when her life fell apart. She couldn't decide what was more depressing—the state of her marriage, or the fact that she lived in Jersey City instead of Manhattan. Until meeting her husband, she'd lived the most cliché life. She'd come from a small town in Canada that smelled like fish or manure, depending on the season. She'd fallen in love with the boy down the road, and she had a dog. Her life had been unbearably predictable—until one snowy New Year's Eve, a tall, dark, and handsome stranger from New York City walked into her life. Her debut book,

*No One Brings You a Casserole When Your Husband Goes to Rehab*, is a poignant coming-of-age story about curly-haired boys and the dark side of having your dreams come true. From poufy dresses and a whirlwind romance to considering when it was time to jump into the Hudson River, Leah candidly tells of her personal transformation through her husband's struggle with addiction. Her story offers hope to every girl who has felt like she needed to run away from her dreams because they didn't come true.

What could possibly go wrong? *The Palace Job* is a funny, action-packed, high-fantasy heist caper in the tradition of Scott Lynch's *Gentleman Bastards* series, from debut author Patrick Weekes.

'Being autistic, to me, means a lot of different things, but one of the best things is that I can be so happy, so enraptured about things no one else understands and so wrapped up in my own joy that, not only does it not matter that no one else shares it, but it can become contagious. This is the part about autism that I can never explain. This is the part I never want to lose.' Julia Bascom's depiction of the joy of autistic obsessions tells a story about autism that is very rarely told. It tells of a world beyond impairments and medical histories, where the multiples of seven can open a floodgate of untranslatable joy, where riding a train can make everything feel perfectly sized and full of light, and where flapping your hands just so amplifies everything you feel. *The Obsessive Joy of Autism* will resonate powerfully with other autistic people, and encourage those who have a person with autism in their lives to look out for that joy, to chase it, to get obsessed.
