Julie Andrews: An Intimate Biography - Richard Stirling ...

But Julie Andrews is nothing if not a survivor; and despite many setbacks—including the tragic loss of her singing voice in 1997 after a botched operation—she's still a performer, recently starring in Shrek and The Princess Diaries. Richard Stirling's deeply researched biography—based on many years of contact with Julie—is a frank but affectionate portrait of an enduring icon of stage and screen.

**Julie Andrews: An Intimate Biography by Richard Stirling**

If it started in 1966, even though she was only 30 at the time, there would be very little else to say that is biography-worthy. It is interesting that Ms. Andrews' own autobiography almost DID end at this point (1964). However, if one were to write a biography of her life starting at age 30, no one would buy it.
