NEW YORK TIMES BESTSELLER • A heartfelt story of love, grief, and renewal about two unlikely friends who discover that sometimes you don't know you've lost someone until you've found them "A dazzling debut novel."—O: The Oprah Magazine "Tremendously moving."—The Wall Street Journal "Touching and ultimately hopeful."—People 1987. The only person who has ever truly understood fourteen-year-old June Elbus is her uncle, the renowned painter Finn Weiss. Shy at school and distant from her older sister, June can be herself only in Finn's company; he is her godfather, confidant, and best friend. So when he dies, far too young, of a mysterious illness her mother can barely speak about, June's world is turned upside down. But Finn's death brings a surprise acquaintance into June's life. At the funeral, June notices a strange man lingering just beyond the crowd. A few days later, she receives a package in the mail containing a beautiful teapot she recognizes from Finn's apartment, and a note from Toby, the stranger, asking for an opportunity to meet. As the two begin to spend time together, June realizes she's not the only one who misses Finn, and that this unexpected friend just might be the one she needs the most. The Mice of the Round Table 1: A Tail of Camelot Quinn Loftis Books, LLC

The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

One Day in the Desert Penguin

"Billie Wind lives with her Seminole tribe. She follows their customs, but the dangers of pollution and nuclear war she's learned about in school seem much more real to her. How can she believe the Seminole legends about talking animals and earth spirits? She wants answers, not legends. "You are a doubter," say the men of the Seminole Council and so Billie goes out into the Everglades alone, to stay until she can believe. In the wilderness, she discovers that she must listen to the land and animals in order to survive. With an otter, a panther cub, and a turtle as companions and guides, she begins to understand that the world of her people can give her the answers she seeks.

Wild Rescuers: Guardians of the Taiga HarperCollins

Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a *Canis Lupus*, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

A New York Times bestseller! "Don't miss this dazzling tour de force." —Katherine Applegate, Newbery Medal winning author of *The One and Only Ivan* This gripping novel about survival and family is based on the real story of one wolf's incredible journey to find a safe place to call home. Illustrated throughout, this irresistible tale by award-winning author Rosanne Parry is for fans of Sara Pennypacker's *Pax* and Katherine Applegate's *The One and Only Ivan*. Swift, a young wolf cub, lives with his pack in the mountains learning to hunt, competing with his brothers and sisters for hierarchy, and watching over a new litter of cubs. Then a rival pack attacks, and Swift and his family scatter. Alone and scared, Swift must flee and find a new home. His journey takes him a remarkable one thousand miles across the Pacific Northwest. The trip is full of peril, and Swift encounters forest fires, hunters, highways, and hunger before he finds his new home. Inspired by the extraordinary true story of a wolf named OR-7 (or Journey), this irresistible tale of survival invites readers to experience and imagine what it would be like to be one of the most misunderstood animals on earth. This gripping and appealing novel about family, courage, loyalty, and the natural world is for fans of Fred Gipson's *Old Yeller* and Katherine Applegate's *Endling*. Includes black-and-white illustrations throughout and a map as well as information about the real wolf who inspired the novel. Plus don't miss Rosanne Parry's stand-alone companion novel, *A Whale of the Wild*.

The Girl and the Wolf Houghton Mifflin Harcourt

A fresh, compelling, and eerie exploration of small-town living, stolen children, and wolves that watch in the woods. The night little Madison disappears from her crib, Luce sees a pair of eyes--two points of gold deep in the forest behind her house--and feels certain they belong to a wolf. Her town, Picnic, Illinois, is the kind of place where everyone knows one another and no one locks their doors. It 's not the kind of place where a toddler goes missing without a trace, where wolves lurk in the shadows. In town, people are quick to blame Madison 's mom. But when Luce 's English teacher shares an original script about the disappearance of another little girl in Picnic back in 1870, Luce begins to notice similarities that she can 't ignore. Certain that something deeper is going on, Luce tracks the wolf she saw into the woods and uncovers the truth about her town: magical animal-women, who have remained hidden in shadows for centuries, have taken her cousin for their own purposes--and they have no intention of bringing her back. A chilling mystery that weaves elements of magical realism, drama, and folklore into a story of one teen 's bravery as she confronts her town 's past and tries to save the future.

Wolf's Wife HarperTrophy

Julie has been reunited with her long-lost father, who, although retaining some of the old traditions, has also embraced many of the new 'western' approaches to life. Once again Julie - or Miyax, her Eskimo name - feels torn in two. She loves her father but the new way of farming he's adopted means killing wolves. Even Julie's beloved wolf 'family', if necessary. With the help of her soul-mate, Peter, Julie decides to take action and put her life on the line. She heads out onto the tundra in an attempt to protect her wolves once and for always. . .
