International sex researcher,
neuroscientist, and
columnist Debra Soh

debunks popular gender myths in this scientific examination of the many facets of gender identity that “is not only eminently reasonable and beautifully-written, it is brave and vital” (Ben Shapiro, #1 New York Times bestselling author). Is our gender something we’re born with, or are we conditioned by society? In *The End of Gender*, neuroscientist and sexologist Dr. Debra Soh uses a research-based approach to address this hot-button topic, unmasking popular misconceptions about the nature vs. nurture debate and exploring what it means to be a woman or a man in today’s society. Both scientific and objective, and drawing on original research and carefully conducted interviews, Soh tackles a wide range of issues, such as

gender-neutral parenting, gender dysphoric children, and the neuroscience of being transgender. She debates today’s accepted notion that gender is a social construct and a spectrum, and challenges the idea that there is no difference between how male and female brains operate. *The End of Gender* is conversation-starting “required reading” (Eric R. Weinstein, PhD, host of *The Portal*) that will arm you with the facts you need to come to your own conclusions about gender identity and its place in the world today.

A Secret Love Affair
Scholastic Inc.

"Phrases and Names, Their Origins and Meanings" by Trench H. Johnson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every

Modest Publishing
A Popsugar Best Romance Novel of 2020 RITA® Award—winning author Elia Winters delivers a sexy, playful frenemies-to-lovers road trip romance. Megan Harris had hopes of seeing the world, but at twenty-five she's never even left Florida. Now a wedding invitation lures her to Quebec...in February.

When her ex-friend Scarlett offers to be her plus-one (yeah, that's a whole story) and suggests they turn the journey into an epic road trip, Megan reluctantly agrees to the biggest adventure of her life. A week together in a car is a surefire way to kill a crush, and Scarlett Andrews has had a big one on Megan for years. The important thing is fixing their friendship. As the miles roll away, what starts as harmless road-trip games and rest-stop dares escalates into something like intimacy. And when a surprise snowstorm forces Megan and Scarlett to hunker down without the open road

as distraction, they've got a bigger challenge than making it to the church on time: facing the true nature of their feelings for each other. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters.

EBOOK: Evaluating Social Work Effectiveness Stillpoint Digital Press

From 1996 through 2004, Kobe Bryant and Shaquille O'Neal combined-- and collided-- to help bring the Lakers three straight championships and restore the franchise as a powerhouse. From public sniping and sparring, to physical altercations and the repeated threats of trade, it was warfare. The eight years of infighting and hostility were by turns mediated and

encouraged by coach Phil Jackson. Pearlman shows how the Shaq-Kobe duo resulted in one of the most enduring, and ever-evolving, teams in NBA history. -- adapted from jacket

Whimsy's Curse

Hairpin Curves Springer

A story of queer love and working-class families, *Young Mungo* is the brilliant second novel from the Booker Prize-winning author of *Shuggie Bain*. Douglas Stuart ' s first novel *Shuggie Bain*, winner of the 2020 Booker Prize, is one of the most successful literary debuts of the century so far. Published or forthcoming in forty territories, it has sold more than

one million copies worldwide.

Now Stuart returns with *Young Mungo*, his extraordinary second novel. Both a page-turner and literary tour de force, it is a vivid portrayal of working-class life and a deeply moving and highly suspenseful story of the dangerous first love of two young men. Growing up in a housing estate in Glasgow, Mungo and James are born under different stars—Mungo a Protestant and James a Catholic—and they should be sworn enemies if they ' re to be seen as men at all. Yet against all odds, they become best friends as they find a sanctuary in the pigeon dovecote that James has built for his prize racing birds. As they fall in love, they dream of finding somewhere they belong, while Mungo works hard to hide his true self from all those around him, especially from his big brother Hamish, a local gang leader with a brutal reputation to uphold. And when several months later Mungo ' s

mother sends him on a fishing trip to a loch in Western Scotland with two strange men whose drunken banter belies murky pasts, he will need to summon all his inner strength and courage to try to get back to a place of safety, a place where he and James might still have a future. Imbuing the everyday world of its characters with rich lyricism and giving full voice to people rarely acknowledged in the literary world, Young Mungo is a gripping and revealing story about the bounds of masculinity, the divisions of sectarianism, the violence faced by many queer people, and the dangers of loving someone too much.

Juliet Takes Off Stillpoint Digital Press

Within the pages of this unorthodox work lurk craziness and concept. The novel is constructed in short stories that involve religion, politics, time travel and even the unedifying spectacle of old people having sex - each chapter subjected to the

idiosyncratic storytelling of the author. It is hoped - no more so - that Rathbone, Wayne Hackett, Phillip Hickey, Cornelia Bonham and others will be recalled and debated long after the final punctuation mark. But not derided - though even that is preferable to the criticism of being considered forgettable. By the same author: "e;Going To The Last"e; and "e;Less Is More"e;.

Oxford Textbook of Osteoarthritis and Crystal Arthropathy, Third Edition Penguin

In this searing tale of forbidden student-teacher passion, young Allison has it bad for Ken, her teacher: her Romeo. What if Romeo were more than twice Juliet ' s age — and her teacher? Would that have made a difference? Allison tries to find another leading man, but ends up being drawn back to the first person who ever inspired her to real, undeniable desire. How can this Juliet convince her much-older Romeo to take her innocence? How can she convince him that, girl though she still is, she is ready to become a woman? (New Adult erotic romance.

Student/teacher relationship. Adult readers only.) Second story in the Juliet Takes Flight series.

The European Parliament and the European Community
Good Press

A must-have for any student or aspiring writer, this book reviews the fundamentals of good sentence structure:

Conventions of writing style change in subtle ways with passing years—a fact that prompts the need for periodic revisions of books like this one.

The authors review the fundamentals of good sentence structure and then go on to describe twenty basic sentence patterns that encompass virtually every effective way of writing sentences in English.

They also draw on passages by current prominent writers, using these examples to show how varying rhythm and sentence patterns can result in

elegant writing styles that keep their readers interested.

Exercises with answers and explanations appear throughout the text. Overflowing with practical and useful advice, this little gem will change the way people write.

Last Child in the Woods

Whimsy's Curse Death is inevitable. Whimsy Whitman knows this all too well. She was born with the uncontrollable ability to empathically feel how anyone in proximity to her will die. The unfortunate curse has left her homebound, depressed, and isolated from her worried family. It's also a secret she vows to take to her grave after the sadistic psychologist, Dr. Goodrich, in whom she'd once confided, had her institutionalized and torturously tested ten years ago. When Whimsy's split-second decision to venture outside her self-imposed captivity goes horribly awry, the fallout brings Dr. Goodrich bombarding back into her life, along with a slew of terror-induced psychic visions all demanding she run. Now the girl

who's terrified of crowds, physical contact, and unfamiliar territory is driving a stolen car to New York City with the small hope of finding the secret to controlling her empathic abilities. When a serendipitous meeting with handsome Beck Hollis opens her eyes to the world outside her anxieties, she thinks her life is finally changing for the better. She soon learns that the limited confines of her childhood home were the only barrier keeping her true power contained. Stranded in the most crowded city in the country and able to feel how every single one of the thousands of occupants near her will die, she knows the tragedy about to destroy them all. Now it's a race to see how many deaths can be cheated before her own time runs out. *Where Did My Life Go? - A Towering Experience*

Bestselling author Jennifer Estep continues her Gargoyle Queen epic fantasy series where magic reigns, alliances are tested, and a dangerous attraction could tear down a throne. . . Crown princess. Clever spy. Powerful mind magier. Gemma Ripley of Andvari is all

those things--and determined to stop an enemy from using magical tearstone weapons to conquer her kingdom. Gemma's quest for answers leads her to a trade Summit between the various kingdoms. Among the other royals in attendance is Queen Maeven Morricone of Morta and her son, Prince Leonidas--Gemma's charming and dangerous nemesis. Gemma knows that Maeven always has a long game in motion, and sure enough, the cunning queen invokes an arcane tradition that threatens the fragile truce between Andvari and the other kingdoms. Despite her best intentions, Gemma once again finds herself thrown together with Leo and battling her growing feelings for the enemy prince. When a series of deadly attacks shatters the Summit's peaceful negotiations, Gemma realizes that someone wants to tear the royals down from their thrones--and that this enemy just might succeed.

[My Dearest Darcy... What do you do after Happily Ever](#)

After? Lizzy and Darcy are married. They 're ecstatically happy newlyweds. But a journey to London separates them. Whatever will they do? Write letters, of course! In this sequel to Jane Austen 's masterpiece, read the witty, passionate correspondence between her most beloved pair as they survive separation, sisters, and surprise guests. The giddy newlyweds keep the flame alight the old-fashioned way... All while reminding each other — and us — just what a perfectly matched couple they are. "Clever and charming, snarky and steamy, meticulously researched with welcome appearances from real-world historical figures. Can't wait for Volume III!" — Heather Albano, Keeping Time trilogy (Novel-length, steamy Regency romance. Some four-letter words — used impeccably, of course.)

My dearest Darcy I have ruined fully eighteen of these beautiful, creamy linen sheets to get even this far. You will laugh at me, I know, but I am in this my mother 's daughter, and such prodigal waste of paper offends my sense of thrift and of propriety. And for what? Because I wish to write you, but do not know how to call you. Dearest Husband? Too formal. Dear Fitzwilliam? Too familiar. Beloved lover? Far too familiar, though very true, and I am still close enough to what little maidenly modesty I ever possessed not to wish you to open this letter in public upon such a greeting. (And I do warn you that I cannot promise that pages to come will not venture into territory that might destroy both your modesty and what little remains of mine, and so I

hope that you will save the rest any other name, even though of this letter for perusal in some private place; you may take that for a promise or for a threat, as you will!) My own Billy? Well, I think I can imagine the mask of mortification that that salutation would provoke; I will keep that one for special, private moments, I think, when you have become too much the forbidding, proud Mr. Darcy of old and I simply wish to laugh at you. And so My dearest Darcy it is—not only because it strikes me as particularly euphonious, but because it is true, in whole and in parts. I love your sister—my new sister—dearly, but I can say without any compunction that you are indeed the dearest Darcy to me, dearer even than myself. You are Darcy, first and foremost—I can scarcely think of you by it is now my own. It is the name by which I first knew you, by which I truly came to know you, and by which I have come to love you with all of my foolish, conceited heart. Too, you are mine. Pride is a sin, as we both know to our misfortune, but I think that this is one of the things of which I am proudest: that you, virtuous, accomplished, intelligent, upright—occasionally to a fault—belong to me. And that I, vain, silly, homely and venal, belong to you, soul, mind and body. Of your possession of my soul you must trust. Of my mind you have this evidence—that you have been gone from our bed and from our home for but four hours, and I have had scarcely a thought but of you. [...] (Here, good my lord, is the point at which I must ask

you to remember that I warned you to read this in a private place. If you failed to heed my warning, on your head be it!) As for my body, sir, you have ample evidence of your possession of that: it has been yours to do with as it has pleased you for these past weeks and, oh, Darcy, I hope it has pleased you to take ownership so completely. It has pleased me, and pleased me again, to the point where now, having felt you within me and against me only this morning, my body weeps at your absence, desiring only to be taken—and to take—again.

Juliet, Nearly a Vet
Collection 1 Simon and Schuster

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj

Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-

turner but resonates with the intelligence and emotional depth of the best of literature.

Unconventional Warfare
(Special Forces, Book 1) Carina Press

Reproduction of the original:
Speeches of Benjamin Harrison
by Charles Hedges

The Willpower Instinct Routledge
Nicholas Eberstadt 's landmark
2016 study, *Men Without Work*,
cast a spotlight on the collapse of
work for men in modern America.
Rosy reports of low
unemployment rates and " full or
near full employment "
conditions, he contends, were
overlooking a quiet, continuing
crisis: Depression-era work rates
for American men of " prime
working age " (25 – 54). The
grim truth: over six million prime-
age men were neither working nor
looking for work. Conventional
unemployment measures ignored
these labor force dropouts, but
their ranks had been rising
relentlessly for half a century.
Eberstadt 's unflinching analysis
was, in the words of *The New
York Times*, " an unsettling
portrait not just of male
unemployment, but also of lives
deeply alienated from civil
society. " The famed American
work ethic was once near
universal: men of sound mind and
body took pride in contributing to
their communities and families.
No longer, warned Eberstadt. And
now—six years and one

catastrophic pandemic later—the
problem has not only worsened: it
has seemingly been spreading
among prime-age women and
workers over fifty-five. In a brand
new introduction, Eberstadt
explains how the government 's
response to Covid-19 inadvertently
exacerbated the flight from work in
America. From indiscriminate
pandemic shutdowns to almost
unconditional
" unemployment " benefits,
Americans were essentially paid
not to work. Thus today, despite
the vaccine rollouts, inexplicable
numbers of working age men and
women are sitting on the sidelines
while over 11 million jobs go
unfilled. Current low rates of
unemployment, touted by pundits
and politicians, are grievously
misleading. The truth is that fewer
prime-age American men are
looking for readily available work
than at any previous juncture in
our history. And others may be
catching the " *Men Without
Work* " virus too. Given the
devastating economic impact of
the Covid calamity and the
unforeseen aftershocks yet to
come, this reissue of Eberstadt 's

groundbreaking work is timelier than ever.

The End of Gender McGraw-Hill Education (UK)

The entertainment industry has long been dominated by legendary screenwriter William Goldman's "Nobody-Knows-Anything" mantra, which argues that success is the result of managerial intuition and instinct. This book builds the case that combining such intuition with data analytics and rigorous scholarly knowledge provides a source of sustainable competitive advantage — the same recipe for success that is behind the rise of firms such as Netflix and Spotify, but has also fueled Disney's recent success. Unlocking a large repertoire of scientific studies by business scholars and entertainment economists, the authors identify essential factors, mechanisms, and methods that help a new entertainment product succeed. The book thus offers a timely alternative to "Nobody-Knows" decision-making in the digital era: while coupling a good idea with smart data analytics and entertainment theory cannot guarantee a hit, it systematically

and substantially increases the probability of success in the entertainment industry. Entertainment Science is poised to inspire fresh new thinking among managers, students of entertainment, and scholars alike. Thorsten Hennig-Thurau and Mark B. Houston — two of our finest scholars in the area of entertainment marketing — have produced a definitive research-based compendium that cuts across various branches of the arts to explain the phenomena that provide consumption experiences to capture the hearts and minds of audiences. Morris B. Holbrook, W. T. Dillard Professor Emeritus of Marketing, Columbia University Entertainment Science is a must-read for everyone working in the entertainment industry today, where the impact of digital and the use of big data can't be ignored anymore. Hennig-Thurau and Houston are the scientific frontrunners of knowledge that the industry urgently needs. Michael Kölmel, media entrepreneur and Honorary Professor of Media Economics at University of Leipzig Entertainment Science's winning

combination of creativity, theory, and data analytics offers managers in the creative industries and beyond a novel, compelling, and comprehensive approach to support their decision-making.

This ground-breaking book marks the dawn of a new Golden Age of fruitful conversation between entertainment scholars, managers, and artists. All è gre Hadida, Associate Professor in Strategy, University of Cambridge
