While law schools love to hate the USNWR law school rankings, they have mostly settled for complaining loudly and publicly, but internally (and sometimes externally) promoting those same rankings or working like made to use them as a basis for recruitment. Collective action is a real problem. Furthermore, finding an effective tool to

diminish the value of USNWR law school rankings remains elusive.

The links are in the sidebar of my blog. There will soon be a link to a full practice test for first year algebra which will provide additional practice for your students. I'm guessing "integrated" means a sprinkling of discrete math topics in the algebra, perhaps with some geometry added in, or am I way off?
