Mocktime Publication by Mocktime Publication  
 With its comprehensive coverage of political and  
 security matters, human rights issues, economic and  
 social questions, legal issues, and administrative and  
 budgetary matters, the Yearbook of the United  
 Nations stands as the authoritative reference work  
 on the annual activities and concerns of the  
 Organization. Fully indexed, the Yearbook includes  
 all major General Assembly, Security Council and  
 Economic and Social Council resolutions and  
 decisions, uniquely placing them in a narrative  
 context of United Nations consideration,  
 deliberation and action. This sixty-eighth volume  
 presents the work of the United Nations in dealing  
 with recurring conflicts with severe humanitarian  
 consequences including in the Syrian Arab  
 Republic, where more than 12 million people were  
 in need of basic food, clothing and shelter. The  
 volume also highlights the Organization ' s rapid  
 response to an escalatory global health  
 emergency—the Ebola virus disease outbreak  
 across West Africa. It documents the  
 Organization ' s coordination of policy discussions

to finalize a global sustainable development agenda,  
 with the security of future generations as the core  
 concern; and its efforts to rebuild societies emerging  
 from conflict while keeping the fragile peace in  
 other places. It further details the entry into force of  
 the landmark Arms Trade Treaty, the missile  
 downing of a passenger airliner in the midst of a  
 geopolitical crisis in eastern Ukraine, and securing  
 international human rights and humanitarian law  
 and prosecuting abusers.
