help from you on studying

on my maths work I ' m a

little having trouble with my

ordinary maths work. and i

would like to know what is

the main thing in maths that

comes up every year something that i should be more focused on. hope to hear from as soon as possible Mathematics (Project Maths – Phase 1)

The Junior Certificate

Mathematics syllabus is designed as a 240 hour course of study.

Problem solving Problem solving

means engaging in a task for

which the solution is not

immediately obvious. Problem

solving is integral to

mathematical learning. In day-to-

day life and in the workplace the

ability to problem solve is a

highly advantageous skill.
