Published in the year of the school's 125th anniversary, Hail Mount Hermon! A Tribute is a tribute not only to the school's founders, principals and teachers but also to all Hermonites (alumni) of all eras and ages who have great love and affection for their alma mater and hopes that Mount Hermon School

looks back to its great legacy and lives on to reach greater heights. The book chronicles the school's tragic beginning soon after its opening in 1895, founding of Queen's Hill School in the beginning of the 20th century, the establishment of Mount Hermon School at the present campus in Darjeeling in 1929-30, and how the school has grown and progressed thereafter right up to the present era. Throughout its 125 years of existence (1895-2020), Mount Hermon School, founded by Christian missionaries of America in the latter part of the 19th century, had its share of ups and downs. However, the school was able to pull through hard times mainly because of the faith, dedication and determination of its leadership. Major events and renowned

personalities of the school are well-documented in this book for posterity to note the spirit in which the school was initially founded and why it survived for so long despite trying circumstances to become one of the leading educational institutions in India. The efforts of the Hermonites and their concern for their alma mater to regain its past glory is recorded in the latter part of this book. Their love and concern for their alma mater is a profound reflection of the spirit that not only gave birth to this great institution but kept it going in the past 125 years through troubled times.

When you look at fine connections, it's hard to say exactly what relation "Alice in Wonderland" has to this book, "Through the Looking-Glass," Oh, it's plainly the same girl, though she seems older, here, and some characters (like Tweedledum and Tweedledee) appear in both. But she doesn't get there the same way, and doesn't refer to her adventures in Wonderland so much as once. Oh well: maybe it's all a dream and she can't remember the last one -- or maybe the magic through the Looking-Glass has hold of her, just as it has hold of Humpty Dumpty, or the Walrus and the Carpenter.
