To save my loved ones, I 've got to become a ringer in this deadly contest that 's undoubtedly rigged by the Powers That Be....

I work as a PI out of the Nightside, that secret centre of London where clocks always read three A.M., where terrible things happen with predictable regularity, and where the always-dark streets are full of people partying like Judgement Day will never come. He 's a being whose sole purpose is the elimination of the wicked and the guilty—and given the nature of the Nightside, there 's a good chance that once he gets started, he 'll just keep on until there 's no-one left. So the Authorities have hired me to stop him. Legend has it that he can 't be killed. I 'm very much hoping that the legend isn 't true...

Where you can walk beside myths and drink with monsters. Where nothing is what it seems and everything is possible. I swore I 'd never return. But there 's a kid in danger and a woman depending on me. So I have no choice—I 'm going home.
