Robert Mapplethorpe Penguin

In the early 1970s, trainer Tommy Hansel attempts a horse racing scam at a small, backwoods track in West Virginia, but nothing goes according to his plan when the horses refuse to cooperate and nearly everyone at the track seems to know his scheme.

A Musical Memoir Just Kids

Loosely following Dante's epic by fashioning her own riveting account into three distinct parts, Eileen Myles brings her

unparalleled brand of raw intellect and insight to her latest novel, *The Inferno*. The first part of the story, mesmerizing readers with its ripple of memoir, tells the saga (or hell) of a poet girl. The second, on the surface, provides instruction on how to write a poem--but it also pulls a clever bait-and-switch by informing readers how to become a lesbian as well. Myles's exposition of "lesbianity," in fact, includes six pages of female genitalia that rival anything Henry Miller ever produced. The third and final part of the book is a fictional proposal to a funding organization in which the author obliges the foundation's request to supply them with her career narrative, but instead of the tedious sanitized version, she offers a bluntly truthful one. Full of travel disasters, bad readings of wonderful poems, and death, this last section is Myles's Purgatorio--a litany chronicling the career of a poet and her writing life. Myles's rebellious spirit is fully present here as she injects her signature blurring of memoir and fiction, poem and

essay, to reinforce her status as one of America's most groundbreaking writers. This eagerly anticipated follow-up to her landmark *Cool for You* will not disappoint fans of Myles or of modern literature itself.

Running Out Simon and Schuster

It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their

mutual dreams and drives, they would prod and provide for one another during the hungry years. *Just Kids* begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

A Novel Random House

For his 2007 critically acclaimed 33 1/3 series title, *Let's Talk About Love*, Carl Wilson went on a quest to find his inner Céline Dion fan and explore how we define ourselves by what we call good and bad, what we love and what we hate. At once among the most widely beloved and most reviled and lampooned pop stars of the past few decades, Céline Dion's critics call her mawkish and overblown while millions of fans around the world adore her “huge pipes” and even bigger feelings. How can anyone say which side is right? This new, expanded edition goes even further, calling on thirteen prominent writers and musicians to respond to themes ranging from sentiment and kitsch to cultural capital and musical snobbery. The original text is followed by lively arguments and stories from Nick Hornby, Krist Novoselic, Ann Powers, Mary Gaitskill, James Franco, Sheila Heti and others. In a new afterword, Carl Wilson examines recent cultural changes in love and hate, including the impact of technology and social media on how taste works

(or doesn't) in the 21st century.

I'll Never Write My Memoirs Getty Publications

The popular singer traces the story of her life and career from her Arizona upbringing in a musical family and her rise to stardom in Southern California to her role in shaping 1970s sounds and her collaborations with fellow artists.

Dancing Barefoot Bloomsbury Publishing USA

From the National Book Award-winning author of *Just Kids* and *M Train*, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs--including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith--inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a

new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, *Year of the Monkey* is a moving and original work, a touchstone for our turbulent times.

Patti Smith Complete Princeton University Press

Meeting a friend after many years' separation, the narrator wonders whether the events they both lived through in Lebanon really took place. Time and distance give a sense of unreality but when the narrator and Ali meet at Heathrow Airport, after seventeen years, the past slowly begins to unfold. Like so many other Palestinians who were born in the Lebanon, they had to leave in the mid-1980s, when it became a battlefield for different militias and armies – Lebanese, Palestinian, Israeli and Syrian. Ali leaves for America and, two years later, the narrator leaves for London. Their memories are concentrated on one fatal night when they and two other friends are together for the last time, before tragedy strikes. But for the narrator, a personal tragedy had struck much earlier, one which he would never forget and could not share.

Nilda Halban Publishers

From the National Book Award–winning author of *Just Kids*: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (*Vanity Fair*), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my life.” *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer’s craft and on artistic creation. Here, too, are singular memories of Smith’s life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith

Last Letter to a Reader Bloomsbury Publishing PLC

Celebrated photographer Robert Mapplethorpe challenged the limits of censorship and conformity, combining technical and formal mastery with unexpected, often provocative content that secured his place in history. Mapplethorpe’s artistic vision helped shape the social and cultural fabric of the 1970s and ’80s and, following his death in 1989 from AIDS, informed the political landscape of the 1990s. His photographic works continue to resonate with audiences all over the world.

Throughout his career, Mapplethorpe preserved studio files and

art from every period and vein of his production, including student work, jewelry, sculptures, and commercial assignments. The resulting archive is fascinating and astonishing. With over 400 illustrations, this volume surveys a virtually unknown resource that sheds new light on the artist’s motivations, connections, business acumen, and talent as a curator and collector.

Patti’s Smith’s exquisite prose is generously illustrated in this full-color edition of her classic coming-of-age memoir, *Just Kids*. New York locations vividly come to life where, as young artists, Patti Smith and Robert Mapplethorpe met and fell in love: a first apartment in Brooklyn, Times Square with John and Yoko’s iconic billboard, Max’s Kansas City, or the gritty fire escape of the Hotel Chelsea. The extraordinary people who passed through their lives are also pictured: Sam Shepard, Harry Smith, William Burroughs, Allen Ginsberg. Along with never-before-published photographs, drawings, and ephemera, this edition captures a moment in New York when everything was possible. And when two kids seized their destinies as artists and soul mates in this inspired story of love and friendship.

Poems Harper Collins

First published in 1967, *Stop-Time* was immediately recognized as a masterpiece of modern American autobiography, a brilliant portrayal of one boy’s passage from childhood to adolescence and beyond. Here is Frank Conroy’s wry, sad, beautiful tale of life on the road; of odd jobs and lost friendships, brutal schools and first loves; of a father’s early death and a son’s exhilarating escape into manhood.

Why Other People Have Such Bad Taste Vintage

Auguries of Innocence is the first book of poetry from Patti Smith in more than a decade. It marks a major accomplishment from a poet and performer who has inscribed her vision of our world in powerful anthems, ballads, and lyrics. In this intimate and searing collection of poems, Smith joins in that great tradition of troubadours, journeymen, wordsmiths, and artists who respond to the world around them in fresh and original language. Her influences are eclectic and striking: Blake, Rimbaud, Picasso, Arbus, and Johnny Appleseed. Smith is an American original; her poems are oracles for our times.

Just Kids A&C Black

Lord of Misrule Chicago Review Press

From the author of the sensational bestseller *I Was Told There'd Be Cake* comes a new book of personal essays brimming with all the charm and wit that have earned

Sloane Crosley widespread acclaim, award nominations, and an ever-growing cadre of loyal fans. In *Cake* readers were introduced to the foibles of Crosley's life in New York City—always teetering between the glamour of Manhattan parties, the indignity of entry-level work, and the special joy of suburban nostalgia—and to a literary voice that mixed Dorothy Parker with David Sedaris and became something all its own. Crosley still lives and works in New York City, but she's no longer the newcomer for whom a trip beyond the Upper West Side is a big adventure. She can pack up her sensibility and takes us with her to Paris, to Portugal (having picked it by spinning a globe and putting down her finger, and finally falling in with a group of Portuguese clowns), and even to Alaska, where the "bear bells" on her fellow bridesmaids' ponytails seemed silly until a grizzly cub dramatically intrudes. Meanwhile, back in New York, where new apartments beckon and taxi rides go awry, her sense of the city has become more layered, her relationships with friends and family more complicated. As always, Crosley's voice is fueled by the perfect witticism, buoyant optimism, flair for drama, and easy charm in the face of minor suffering or potential drudgery. But in *How Did You Get This Number* it has also become increasingly sophisticated, quicker and sharper to the point, more complex and lasting in the emotions it explores. And yet, Crosley remains the unfailingly hilarious young Everywoman, healthily equipped with intelligence and poise to fend off any potential mundanity in maturity.

Just Kids Knopf Canada

The poet, songwriter, and performer evokes the experimentation and longing of the pre-punk days in a collection of poems and prose culled from her previously published works, *Seventh Heaven*, *Ha! Ha! Houdini!* Witt, and *Babel*.

“Kate’s heart for food and people warm every page... truly, a comforting read for anyone with an appetite for loving others well.”— Bob Goff, New York Times bestselling author of *Dream Big and Live in Grace* From the writer and photographer behind the award-winning *Wood and Spoon* blog comes a 365-day devotional, featuring daily reflections and 52 delicious recipes that will nourish the body and soul throughout the year. In the midst of her busy schedule, Kate Wood, award-winning blogger behind *Wood and Spoon* and mother of three, realized that she was surviving, but not thriving, and that what she needed more than another cup of coffee was real connection with herself, with others, and with God. At the table, there’s an invitation to serve, connect, and give deeply of ourselves, and Kate invites us to join her at that table through the pages of this daily devotional. Like a conversation with a good friend, each day offers the chance to reflect, go deeper into scripture, and receive the encouragement you need. Kate also shares treasured family recipes, including:

- Mom’s Homemade Bread
- Two-Bite Crab Cakes with Lemon Dill Aioli
- Cheddar Cornmeal Chicken Pot Pie
- Simple Pesto Risotto
- Weekday Red Velvet Cake
- Birthday Sprinkle Pancakes
- Fluffernutter Pretzel Pie

Find a comfy chair, grab a cup of coffee, and settle into these words that offer encouragement, connection, and hope.

Auguries of Innocence Arte Publico Press

People decide to go to medical school for all kinds of reasons, most of them bad, some downright terrible: "My parents want me to be a doctor""Ummm, seemed like a better idea than law school?""Prestige, yo!""Cashmoney make it rain, baby""Job security! I'll always have a job, and nobody can fire me""I wanna help people!""Couldn't think of anything else to do with my life"Wrong, wrong, and so wrong. But hey, I don't blame you. 'Cause you've never been a doc. How can you possibly know what it's like? Like parenting, nobody really knows what they're getting into until they've done it themselves. That's why you need to hear from the people who've already been through the experiences you're seeking to have: med students and doctors who have contributed the 70 or so short pieces to this book. You'll hear from the disillusioned orthopedist of 14 years; the guy who goes to med school after 10 years in the military; the chief resident who quits in his final year; the 58-year old cardiologist with heartache; the blissfully content rural doc; the 35-year old obstetrician/gynecologist who suddenly feels stuck and can't escape; med students, residents, and dozens more, from both the pro and con contingents. This way, you get a flavor for what a medical career is like in each phase of training and practice. The book has eight sections: 1) Introduction and my essays. 2) The Voice of Reason, featuring balanced, well-reasoned pieces on what it means to be a doctor, with both the pluses and minuses from practicing physicians. 3 & 4) Pieces from medical students, residents and practicing physicians who are pro and con a medical career. 5) Lifestyle and relationship issues in the context of a medical career. 6) Interviews with two practicing physicians. One is Dr Dean Ornish, a well-known physician and an eloquent proponent of medicine if there ever

was one. 7) Alternatives to medicine: naturopathy, physical therapy, pharmacy, physician's assistant, research, nurse practitioner, osteopathy, veterinary school, biomedical engineering. 8) Further resources.
