Just Kids is a memoir by Patti Smith, published on January 19, 2010, documenting her relationship with artist Robert Mapplethorpe. "I didn't write it to be cathartic," she noted. "I wrote it because Robert asked me to... Our relationship was such that I knew what he would want and the quality of what he deserved. So that was my agenda for writing that book. I wrote it to fulfil my vow to him, which was on his deathbed. In finishing, I did feel that I'd fulfilled my promise."

Patti Smith's Just Kids is a rare little gem of perpetual bliss. This differs from other memoirs I have read, and it left me with deep feeling of simply being happy to exist in this world. Smith writes about her time living in New York with Robert Mapplethorpe while they were both shaking off the dull scraps of adolescence and trying to break out as artists.
