A richly produced, craft- and activist-centered celebration of radical DIY publishing, for readers of *Appalachian Reckoning*. In a remarkable act of recovery, *So Much to Be Angry About* conjures an influential but largely obscured strand in the nation's radical tradition--the "movement" printing presses and publishers of the late 1960s and 1970s, and specifically Appalachian Movement Press in Huntington, West Virginia, the only movement press in Appalachia. More than a history, this craft- and activist-centered book positions the frontline politics of the Appalachian Left within larger movements in the 1970s. As Appalachian Movement Press founder Tom Woodruff wrote: "Appalachians weren't sitting in the back row during this struggle, they were driving the bus." Emerging from the Students for a Democratic Society chapter at Marshall University, and working closely with organizer and poet Don West, Appalachian Movement Press made available an eclectic range of printed material, from books and

pamphlets to children's literature and calendars. Many of its publications promoted the Appalachian identity movement and "internal colony" theory, both of which were cornerstones of the nascent discipline of Appalachian studies. One of its many influential publications was *MAW*, the first feminist magazine written by and for Appalachian women. *So Much to Be Angry About* combines complete reproductions of five of Appalachian Movement Press's most engaging publications, an essay by Shaun Slifer about his detective work resurrecting the press's history, and a contextual introduction to New Left movement publishing by Josh MacPhee. Amply illustrated in a richly produced package, the volume pays homage to the graphic sensibility of the region's 1970s social movements, while also celebrating the current renaissance of Appalachia's DIY culture--in many respects a legacy, Slifer suggests, of the movement publishing documented in his book.

This luminous picture book tells the fascinating true story of artist Nek Chand and how his secret art project—hidden away in a jungle—became one of India ' s most treasured wonders, second only to the Taj Mahal. In the bustle of the busy streets of Chandigarh, India, Nek Chand saw something no one else did. Where others saw rocks and stones, Nek saw the boyhood village he missed so dearly. Where others saw broken plates and glass, Nek saw laughing men. And where others saw trash, Nek saw beauty.

Nek Chand ' s incredible rock garden, built from stone and scraps and concrete, began as a way for him to express his long-felt grief at having to leave his boyhood village due to the violence caused by the partition of India. What began as a secret and personal (not to mention initially illegal) project became so much more, not only to Nek but to all of India.

A Woman In Charge Thomas Nelson

In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her – both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

'To 50,000 Fall Fans: please buy this inspired & inspiring, profound & provocative, beautiful & bonkers Book of Revelations.' DAVID PEACE 'Mind blowing . . . there is so much to enjoy in this brilliant book.' TIM BURGESS 'A container sized treasure trove . . . I strongly advise you to buy it.' MAXINE PEAKE 'The most wonderful, unashamedly intellectual, pretentious, ridiculous, exciting hymn to this incredible group.' ANDY MILLER, BACKLISTED Over a prolific forty-year career, the Fall created a world that was influential, idiosyncratic and fiercely original - and defied simple categorisation. Their frontman and lyricist Mark E. Smith spun opaque tales that resisted conventional understanding; the Fall's worldview was an education in its own right. Who wouldn't want to be armed with a working knowledge of M. R. James, shipping-dock procedures, contemporary dance, Manchester City and Can? The group inspired and shaped the lives of those who listened to and tried to make sense of their work. Bringing together previously unseen artwork, rare ephemera and handwritten material, alongside essays by a slate of fans, EXCAVATE! is a vivid, definitive record - an illumination of the dark corners of the Fall's wonderful and frightening world.

John Dies at the End's "smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next" (Publishers Weekly) and This Book is Full of Spiders was "unlike any other book of the genre" (Washington Post). Now, New York Times bestselling author Jason Pargin is back with What the Hell Did I Just Read, the third installment of this black-humored thriller series. It's the story "They" don't want you to read. Though, to be fair, "They" are probably right about this one. To quote the Bible, "Learning the truth can be like loosening a necktie, only to realize it was the only thing keeping your head attached." No, don't put the book back on the shelf -- it is now your duty to purchase it to prevent others from reading it. Yes, it works with e-books, too, I don't have time to explain how. While investigating a fairly straightforward case of a shape-shifting interdimensional child predator, Dave, John, and Amy realized there might actually be something weird going on. Together, they navigate a diabolically convoluted maze of illusions, lies, and their own incompetence in an attempt to uncover a terrible truth they --

like you -- would be better off not knowing. Your first impulse will be to think that a story this gruesome -- and, to be frank, stupid -- cannot possibly be true. That is precisely the reaction "They" are hoping for.
