Elusive Shipwreck of the Great Storm, 1913 Arcadia Publishing

Sarah Robinson and her family are shipwrecked on a remote and mysterious island. Their food is scarce and there's no sign of rescue. They have seen strange creatures, rescued a mysterious girl, and found the Curator, who has captured Sarah's father and stepbrother to use in a bizarre time travel experiment. And then the only man who knows about their island comes back-he's looking for buried treasure, and won't leave without it, even if it means leaving the Robinsons stranded. Time is running out. They must get off the island.

Shipwrecks, Monsters, and Mysteries of the Great Lakes Menasha Ridge Press

Rhode Island, the Ocean State, has more shipwrecks per square mile than any other state. The south coast and Block Island are the resting places of many shipwrecks, with many more located in Narragansett Bay. The record of shipwrecks in Rhode Island begins immediately after the arrival of Europeans in the early 17th century with the grounding of a Dutch trading vessel, and thousands more vessels came to grief in its waters in the following centuries, through bad weather, human error, equipment failure, and military action. Some of these shipwrecks were epic disasters, with many fatalities and the total loss of the vessel; others were relatively minor misfortunes in which the ships were salvageable. Many shipwrecks from the 19th century on into the 20th were captured in the dramatic images gathered here. These pictures show the variety of vessels that travelled Rhode Island's waters back when the ocean was the primary transportation corridor and the many ways in which they met misfortune.

The Suffering Traveller and the Romantic Imagination Dived Up Publications

In 1679, a French ship called the Griffon left Green Bay on Lake Michigan, bound for Niagara with a cargo of furs. Neither the Griffon nor the five-man crew was ever seen again. Though the Griffon's fate remains a mystery, its disappearance was probably the result of the first shipwreck on a Great Lake. Since then, more than six thousand

vessels, large and small, have met tragic ends on the Great Lakes. For many years, saltwater mariners scoffed at the freshwater sailors of the Great Lakes, "puddles" compared to the vast oceans. But those who actually worked on the Great Lakes ships knew differently. Shoals and reefs, uncharted rocks, and sandbars could snare a ship or rip open a hull. Unpredictable winds could capsize a vessel at any moment. A ship caught in a storm had much less room to maneuver than did one at sea. The wreckage of ships and the bones of the people who sail them litter the bottoms of the five lakes: Ontario, Erie, Huron, Michigan, and Superior. Ed Butts has gathered stories and lake lore in this fascinating, frightening volume. For anyone living on the shores of the Great Lakes, these tales will inspire a new interest and respect for their storied past.

British Books Big Book of Photos

Tells the tales of more than one hundred shipwrecks on the Great Lakes, from the wooden vessels of colonists and adventurers in the seventeenth century to the recent disaster of the Edmund Fitzgerald which sank with all twenty-nine lives onboard lost.

The essential guide to creating engaging photos UNC Press Books

New this edition: the story of the last big wreck on Lake Superior -- the Mesquite -- and the latest theories on why the Edmund Fitzgerald went down in 1975.

Rhode Island Shipwrecks Ann Arbor Editions

Documents the stories of a number of sunken vessels on the United States territory in Lake Ontario, among them the steamer Ellsworth, the St. Peter, the Homer Warren, the schooner Etta Belle, the Coast Guard cable boat CG-56022, the schooner William Elgin, the Orcadian, the steamer Samuel F. Hodge, the W.Y. Emery, the British warship Ontario, the schooner C. Reeve, the Queen of the Lakes, the schooner Atlas, the Ocean Wave, the steamer Roberval, the U.S. Air Force C-45, the schooner Three Brothers, the steamship Nisbet Grammer, the steamship Bay State, the schooner Royal Albert, the sloop Washington, and the schooner Hartford. Appendices look at three particular locations: Ford Shoals, Mexico Bay, and the lake near Oswego.

Treasured: A Masters and Mercenaries Novella ABC-CLIO

European settlement of Coos County began with a shipwreck. The Captain Lincoln wrecked on the north spit of the Coos Bay in January 1852. The crewmen built a temporary camp out of the ship ' s sails and

named it “ Camp Cast-Away. ” This was the first white settlement in the area. The men eventually traveled overland to Port Orford, where they told other settlers about the Coos Bay and its many natural resources. By December 1853, Coos County was established by the territorial legislature, and several towns were founded; the history of the area had been completely altered by a single shipwreck.

Shipwreck Routledge

‘ This book will arm and inspire you to transform your underwater photographs, whatever camera you use ’ : Alex Mustard (from the Foreword) The best underwater images don ’ t just capture the subject well, they also capture mood, emotion and atmosphere. Unlike most other underwater photography books, Winning Images with Any Underwater Camera focuses on composition and techniques rather than the all-consuming camera technology that people tend to chase first. This makes it a supremely cost-effective tool for improving images; and there is no discrimination between users of different camera systems — this truly is a book for all. International award winner and instructor Paul Colley reveals the short cuts and shows the vital bits of artistic theory as it applies to underwater photography, grappling with composition in much greater depth than in other books. He also includes easy-to-remember reference models for underwater composition: pre-planned concepts for twelve typical underwater scenes, with the principal considerations boiled down to those essentials that will help you achieve great results, time and again.

This impeccably researched and “ adventure-packed ” (The Washington Post) account of the obsessive quest by Christopher Columbus ’ s son to create the greatest library in the world is “ the stuff of Hollywood blockbusters ” (NPR) and offers a vivid picture of Europe on the verge of becoming modern. At the peak of the Age of Exploration, Hernando Col ó n sailed with his father Christopher Columbus on his final voyage to the New World, a journey that ended in disaster, bloody mutiny, and shipwreck. After Columbus ’ s death in 1506, eighteen-year-old Hernando sought to continue—and surpass—his father ’ s campaign to explore the boundaries of the known

world by building a library that would collect everything ever printed: a vast holding organized by summaries and catalogues; really, the first ever database for the exploding diversity of written matter as the printing press proliferated across Europe. Hernando traveled extensively and obsessively amassed his collection based on the groundbreaking conviction that a library of universal knowledge should include “ all books, in all languages and on all subjects, ” even material often dismissed: ballads, erotica, news pamphlets, almanacs, popular images, romances, fables. The loss of part of his collection to another maritime disaster in 1522, set off the final scramble to complete this sublime project, a race against time to realize a vision of near-impossible perfection. “ Magnificent...a thrill on almost every page ” (The New York Times Book Review), The Catalogue of Shipwrecked Books is a window into sixteenth-century Europe ’ s information revolution, and a reflection of the passion and intrigues that lie beneath our own insatiable desires to bring order to the world today.

Shipwrecks of Lake Ontario e-artnow

For readers who relish the image of clinging to a sinking makeshift raft while fighting off sword-wielding and delirious mutineers wrenching the last cask of water from a sailor's sun-scorched hands (while sharks circle in famished anticipation), Shipwrecked! Adventures and Disasters at Sea is an irresistible read. A heady voyage through human suffering at the hands of unforgiving oceans, cruel captains, and implacable fate, this latest collection of Evan Balkan's impeccably researched true adventures details 14 major maritime disasters. Included are such legendary stories as the 1629 maiden voyage of the Batavia that ended in mutiny and murder, and the dramatic destruction of the majestic three-masted barquentine Endurance in ice-clogged Antarctic waters in 1912. A vast spectrum of human emotion and activity is featured in these exciting profiles, from deadly incompetence and brutish cannibalism to surprising self-sacrifice and quiet heroism.

Big Picture of the Bible Big Earth Publishing

From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series... David Hawthorne has a great life. His job as a professor at a prestigious Dallas college is everything he hoped for. Now that his brother is back from the Navy, life seems to be settling down. All he needs to do is finish the book he ’ s working on and his tenure will be assured. When he gets invited to

interview a reclusive expert, he knows he 's gotten lucky. But being the stepson of Sean Taggart comes with its drawbacks, including an overprotective mom who sends a security detail to keep him safe. He doesn ' t need a bodyguard, but when Tessa Santiago shows up on his doorstep, the idea of her giving him close cover doesn ' t seem so bad. Tessa has always excelled at most anything she tried, except romance. The whole relationship thing just didn ' t work out for her. She ' s not looking for love, and she ' s certainly not looking for it with an academic who happens to be connected to her boss ' s family. The last thing she wants is to escort an overly pampered pretentious man-child around South America to ensure he doesn ' t get into trouble. Still, there ' s something about David that calls to her. In addition to watching his back, she will have to avoid falling into the trap of soulful eyes and a deep voice that gets her heart racing But when the seemingly simple mission turns into a treacherous race for a hidden artifact, David and Tess know this assignment could cost them far more than their jobs. If they can overcome the odds, the lost treasure might not be their most valuable reward. **Every 1001 Dark Nights novella is a standalone story. For new readers, it ' s an introduction to an author ' s world. And for fans, it ' s a bonus book in the author ' s series. We hope you'll enjoy each one as much as we do.** Reviews for Treasured: " A fun read with great banter and fantastic characters. " - awlovestoread " Readers are treated both to an expansion of the couple ' s hotter than Hades chemistry, as well as lots of mystery and suspense. The combination of the two made this a five star read. " - cheryl33610 " All the ingredients necessary for heart-pounding action, high heat romance, and naturally a HEA " - A Wonderful World of Words " Treasured is a quick, fun, and steamy read. " - Becky on Books Found Macmillan

Winner for the 2010 SOS Marine Heritage Award The steamer Wexford, with her flared bow, tall masts, and her open, canvas-sided hurricane deck, charmed spectators as she carried cargo across the Great Lakes. The romance and adventure of her British and French history in the South American trade followed her. Under newly appointed 24-year-old captain Bruce Cameron, her fateful final voyage was punctuated with opportunities to be saved from destruction , but his persistence in trying to make port at Goderich led to tragedy - a victim of the storm of 1913. Over a period of 87 years, she eluded many efforts to locate her remains, but was finally discovered in 2000 by a sailor using a fish-finding device. Since then, she has been visited by thousands, but sadly plundered. Our story traces her history from her British origins in 1883, through the transition to become a "Laker," the eventful storm, the search, and her ultimate discovery in southern Lake Huron, and the controversy over how she should be protected.

Shipwrecked! Dundurn

In the sixteenth century, a period of proliferating transatlantic travel and exploration, and, latterly, religious civil wars in France, the ship is freighted with political and religious, as well as poetic, significance; symbolism that reaches its height when ships—both real and symbolic—are threatened with disaster. The Direful Spectacle argues that, in the French Renaissance, shipwreck functions not only as an emblem or motif within writing, but as a part, or the whole, of a narrative, in which the dynamics of spectatorship and of co-operation are of constant concern. The possibility of ethical distance from shipwreck—imagined through the Lucretian *suave mari magno commonplace*—is constantly undermined, not least through a sustained focus on the corporeal. This book examines the

ways in which the ship and the body are made analogous in Renaissance shipwreck writing; bodies are described and allegorized in nautical terms, and, conversely, ships themselves become animalized and humanized. Secondly, many texts anticipate that the description of shipwreck will have an affect not only on its victims, but on those too of spectators, listeners, and readers. This insistence on the physicality of shipwreck is also reflected in the dynamic of bricolage that informs the production of shipwreck texts in the Renaissance. The dramatic potential of both the disaster and the process of rebuilding is exploited throughout the century, culminating in a shipwreck tragedy. By the late Renaissance, shipwreck is not only the end, but often forms the beginning of a story.

Great Lakes and Midwest Catalog Knopf Books for Young Readers

For half a century, David Stick has been writing books about the fragile chain of barrier islands off the North Carolina coast known as the Outer Banks. Two of his earliest, Graveyard of the Atlantic and The Outer Banks of North Carolina, were published by the UNC Press in the 1950s, and continue to be best-sellers. More recently, Stick embarked on another project, searching for the most captivating and best-written examples of what others have said about his beloved Outer Banks. In the process, more than 1,000 books, pamphlets, periodicals, historical documents, and other writings were reviewed. The result is a rich and fascinating anthology. The selections in An Outer Banks Reader span the course of more than four and a half centuries, from the first known record of a meeting between Europeans and Native Americans in the region in 1524 to modern-day accounts of life on the Outer Banks. Together, Stick hopes, the sixty-four entries may provide both "outlanders" and natives with an understanding of why the Outer Banks are home to a rapidly growing number of people who would rather spend the rest of their lives there than any place else on earth.
