**Captive Justice** Robert Hale Ltd  
A young girl who has been missing for eight months, suddenly reappears and commits a heinous murder. She claims not to know why she did it, or where she had been for the last few months. The girl's desperate parents hire private investigators Jake and Annie Lincoln to find the truth behind their daughter's disappearance, and why she would return and kill a stranger in cold blood. An ex-con, who had seemingly turned his life around, becomes the next victim when a young boy shoots him, and then casually holds the gun to his own head and pulls the trigger. An aspiring city councilor is executed in the same manner. None of the deadly murderers seem to be aware of their actions. As the Lincolns race to solve the puzzle of why young killers are casually murdering without remorse, they are drawn into a dangerous conspiracy and become targets of a merciless assassin. A criminal defense attorney “tugs at both the heartstrings and our consciences as he challenges America’s true commitment to justice” (Stacey Abrams), offering a blueprint for how public defense programs should work to end mass incarceration Combining wisdom drawn from over a dozen years as a public defender and cutting-edge research in the fields of organizational and cultural psychology, Jonathan Rapping proposes a radical cultural shift to a “fiercely client-based ethos” driven by values-based recruitment training, awakening defenders to their role in upholding an unjust status quo, and a renewed pride in the essential role of moral lawyering in a democratic society. Public defenders represent over 80% of those who interact with the court system, a disproportionate number of whom are poor, non-white citizens who rely on them to navigate the law on their behalf. More often than not, even the most well-meaning of those defenders are over-worked, under-funded, and incentivized to put the interests of judges and politicians above those of their clients in a culture that beats the passion out of talented, driven advocates, and has led to an embarrassingly low standard of justice for those who depend on the promises of Gideon v. Wainwright. Through the story of founding Gideon’s Promise and anecdotes of his time as a defender and teacher, Rapping reanimates the possibility of public defenders serving as a radical bulwark against government oppression and a megaphone to amplify the voices of those they serve.

LOVE THAT MAN Young, alone...pregnant Ten years ago, eighteen-year-old Rachel Penning could only stand and watch as the cops arrested the boy she loved and sent him to prison. If only she'd had the courage to give him an alibi. Now Jake Monroe's out on good behavior and Rachel is his parole officer. Jake the man is very different from Jake the boy. He's strong, tough, angry and determined to clear his name. And this time—no matter what anyone says—Rachel's going to help him. For his sake, for her sake—and for the sake of their ten-year-old son.

After Miraculous Destiny, Family Secrets, and True Destiny, author Annu Hirae comes back into the publishing limelight with her fourth book, Delayed Justice. Appealing to the general adult audience, worldwide travelers, Japanese descendants, French descendants in New Orleans, crime solvers, and fact learners, this new novel revolves around the old adage What goes around comes around. This book was born out of the authors encounter with an airplane crash of a wealthy family. That intrigued me to put it into the human drama. I also want to highlight life in general under the belief of what goes around comes around, she shares. In this book, a mysterious family tragedy tears loved ones apart for nearly two decades. The criminals who meticulously plan the grand larceny and the airplane crash almost get away with murder until incriminating evidence appears. The family reunites and the lost fortune is about to surface. It wont be too long before Delayed Justice is served on a cold platter.

Late one night an emotionally disturbed woman, Abigail Macy, witnesses a murder. She reports what she saw to the police, but out of fear the killer will return to eliminate her as a witness, she keeps quiet about his identity. When the police investigate her claim, they find no evidence of a crime, and influenced by her psychiatrist's diagnosis she was delusional, the case is closed. Abigail's condition deteriorates, and she shuts herself away, withdrawn and distraught, refusing to speak to anyone except the occasional word to her husband. To ease her tormented mind, he hires private investigators Jake and Annie Lincoln to find a supposed killer, with no proof one exists. When Abigail is found dead two days later, the coroner concludes she had committed suicide, however the Lincolns aren't convinced of the verdict. Now, with the only witness dead, the challenge to unravel the truth and find a murderer becomes more baffling. The Lincolns find themselves in danger of being the killer's next victims as they are drawn into a perilous web of lies, deceit and cover-ups. honeymoon, his father is murdered in a senseless shooting by members of a Los Angeles area gang. Although it quickly becomes evident who is responsible for the shooting, the police cannot gather sufficient evidence to make an arrest. Jake with the cooperation of an L.A. Detective, recruits a former member of his special operations team and they begin to obtain evidence which leads them to discover that these gang members are just pawns in a major drug operation. After Jake sets up a sting operation, the ring leaders and major players are arrested by the police and his father's killers are lured into the desert where justice is delivered. The twists and turns make this much more than just a murder revenge plot.

Husbands for Hire Trilogy Justice in San Francisco

Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller The Hellfire Club—an "excellent" cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to The Hellfire Club.
