Justice League of America World's Most Dangerous

After bringing together the weirdest, wildest, must unlikely Justice League roster ever assembled, the Dark Knight Detective has quit the team. Now it's up to Vixen, the JLA's powerful but unproven new leader, to give the group a reason to stay together without ending up at each other's throats. She had better do it quickly, though, because one of the deadliest villains in the League's history has just returned. His name is Prometheus, and he comes to the team's Happy Harbor headquarters with a simple ultimatum: Vixen must face him in single combat, or everybody dies--and with his new psychic ally Afterthought at his side, there's no way he can lose. But not even a master tactician and genius-level strategist like Prometheus can predict the behavior of the JLA's own secret weapon--the Main Man himself, Lobo. When the smoke from their final showdown clears, who will be left standing? Find out in *Justice League of America Vol. 4: Surgical Strike*, from the acclaimed creative team of writer Steve Orlando and artists Hugo Petrus and Stephen Byrne, and featuring a special guest appearance by comics legend Kelley Jones. The Might Beyond the Mirror, the great threat that Batman assembled the Justice League of America to stop, has finally arrived in the form of the Queen of Fables. However, Batman is gone, and the Queen has granted Killer Frost her fondest wish—a cure for her condition. Caitlin Snow has now switched sides, leaving the team down two members. But then the League is joined by Immateria's champion—Promethea. Can she help them, or will reality crumble at the Queen's whim? Speaking of reality, the Adjudicator, a being who lives beyond the Multiverse, has determined that the Extremists' homeworld of Angor must remain dead. Batman and Black Canary

have different ideas about that, and partner with former foes Dreamslayer and Lord Havok to alter reality or die trying! All of this is prelude to the team's final mission, as the JLA must stop the time thief Chronos from killing Ahl, the god of superheroes, preventing him from seeding Earth with the concept of the hero. If the team fails, they all will cease to exist, leaving Earth vulnerable to all manner of evil. Steve Orlando (Midnighter, Supergirl) collaborates with artists including Neil Edwards, Hugo Petrus and Miguel Mendonça in what is one of the most offbeat and compelling lineups the Justice League of America has ever seen.
