Tempting the Beast Routledge

Tammy has always tried to be prepared for any calamity life might send her way but she never imagined a sexy, lion man-beast in her future. He's huge, got the most exotic, golden cat-eyes she's ever seen, and she's so terrified she's speechless for the first time in her life. He's stalking closer, growling at her, and she's too terrified to even flee. Valiant hates humans. But when he gets a whiff of the adorable human female who has invaded his territory, he starts rethinking. Her fear scents of pure, sweet temptation and the closer he gets, the more appealing she becomes. Once he's got his hands on her, he isn't about to let her go. One thought will change his life. Mine! Before Tammy can regain her senses, she's flat on her back in Valiant's bed. Now he just has to use every inch of his big, buff body to convince her that she should stay with him forever.

Brawn Random House Trade Paperbacks

Angel was whisked away from a life of abuse as a child when a guardian angel flew her in his arms and gave her to a Lycan couple to raise and love as their own. It was inevitable that she developed feelings for her elusive savior, the GarLycan who protects her pack. As she matured, those feelings deepened to something more after spending time with him, only to be rebuffed by her hero. Dejected, Angel left the pack, moving away to distance herself from the pain. Now, years later, her mother has called her home. Their pack guardian is in need... Creed is emotionally distant and cold. He's had to become that way to survive his harsh life. His one weakness is Angel. She deserves a happy life, something that he can't give her. He was born into servitude and isn't allowed to take a mate. But, every thirty years he goes into one night of heat. The ravage is upon him, and Angel is determined to be there for him. He'll take her to his lair, chain her down, and finally be able to touch her... Creed and Angel soon discover their one night of bliss has dangerous consequences.

A Research Agenda for Animal Geographies Rethinking Schools

Exploring the innovative and thriving field of animal geographies, this Research Agenda analyses how humans think about, place, and engage with animals. Chapters explore how animals shape human identities and social dynamics, as well as how broader processes influence the circumstances and experiences of animals.

Creed Orbit

Trina Matthews lost her husband of sixteen years to a tragic accident. Starting her life over in the small town of Hailey, Texas, at the age of thirty-eight sounded like a good idea but she never counted on the loneliness she'd experience. Navarro Raine is the hottest man she's ever seen. He's tall, with piercing blue eyes and Native American beauty. He fills her nighttime fantasies and makes her wonder about all the things she's yet to experience in bed. And Navarro has a reputation for being very good in that department...Discovering he's about to lose his family ranch, Trina has the perfect solution for both of them. She's willing to offer Navarro the money to save his ranch if he'll give her the kind of sex she's only read about. It might be the craziest thing she's ever done but after years of vanilla sex, she's made up her mind--it's time to taste a few more flavors.

Ancillary Justice Justice

Book 9 in the New Species series. While each New Species book is a standalone, the greatest enjoyment will come from reading them in series order. Beauty resents being labeled Gift Species. Everyone is way too overprotective, males aren't even allowed to speak to her and so far true freedom eludes her. Then a big, sexy Species officer mistakes her for the enemy and takes her to the ground. Shadow is dumbfounded. He has a Gift pinned under him--a big no-no. But Beauty is fascinated and wants to know Shadow a lot better. She is full of newly discovered, unrequited passion and he's just what she needs to satisfy her curiosity. For Shadow, sex means pain and revulsion. For Beauty, it was enslavement and ridicule. Two lonely souls who have never known a lover's touch, together in a cabin in the woods. Each touch, every discovery brings them closer to a life they never thought possible...beyond even their dreams.

Total Liberation Ellora's Cave

It's werewolf mating season. All the males are in heat, and the driving sexual lust of their beasts is almost uncontrollable. When Mika finds herself trapped in an alley, surrounded by four horny werewolves, she knows she's in deep trouble. Until a tall, handsome werewolf rescues her then demands payment. Hot, sweaty, intimate payment. Grady is a half-breed whose human mother abandoned him to his werewolf father, so he knows human women just aren't safe to fall in love with. The wolf within him wants Mika as his mate, but Grady will not give in. Never. Ever. He's willing to fight his emotions and his beast, no matter how much sexy Mika tempts him. But neither of them expected her Uncle Omar to assign Grady to protect her from other males?24/7, in her home, sleeping just down the hall. Mika decides to make the best of her vacation and keep the hot wolf in her bed. Grady can't resist the scorching sex, but he is determined to resist the bond.

Mate Set Haymarket Books

Batina Dawson wants two things most in her life. She's determined to become a partner at her law firm and secure her younger sister's financial future. That's why she talked Dusti into flying to Alaska, to mend fences with their terminally ill, rich grandfather. It seemed to be a perfect plan--until things go wrong. The plane crashes and their lives are saved by two large, muscled brothers. Kraven is a spiked-haired menace with a handsome face and a killer body. He also believes she's in danger from her own grandfather, and that Vampires and Lycans once bred, making him a VampLycan. He even claims her mother was one too. He may have kidnapped Bat, but his misguided hero complex is almost sweet. She knows exactly what defense she'll use if he becomes one of her clients. Insanity. Kraven is frustrated. Bat refuses to stop arguing with him at every opportunity. She's stubborn, mouthy, and oh so sexy. She might be right when she accuses him of being crazy--she's driving him nuts. But she's in danger and he'll stop at nothing to keep her safe. Author Note: VLG stands for Vampires, Lycans, Gargoyles...and breeds in between. Living in Alaska's harsh, pristine territories, these creatures live and love fiercely. These are their stories.

Quantitative Studies in Green and Conservation Criminology Ellora's Cave

Undivided Rights captures the evolving and largely unknown activist history of women of color organizing for reproductive justice—on their own behalf. Undivided Rights presents a textured understanding of the reproductive rights movement by placing the experiences, priorities, and activism of women of color in the foreground. Using historical research, original organizational case studies, and personal interviews, the authors illuminate how women of color have led the fight to control their own bodies and reproductive destinies. Undivided Rights shows how women of color—starting within their own Latina, African American, Native American, and Asian American communities—have resisted coercion of their reproductive abilities. Projected against the backdrop of the mainstream pro-choice movement and radical right agendas, these dynamic case studies feature the groundbreaking work being done by health and reproductive rights organizations led by women-of-color. The book details how and why these women have defined and implemented expansive reproductive health agendas that reject legalistic remedies and seek instead to address the wider needs of their communities. It stresses the urgency for innovative strategies that push beyond the traditional base and goals of the mainstream pro-choice movement—strategies that are broadly inclusive while being specific, strategies that speak to all women by speaking to each woman. While the authors raise tough questions about inclusion, identity politics, and the future of women's organizing, they also offer a way out of the limiting focus on "choice." Undivided Rights articulates a holistic vision for reproductive freedom. It refuses to allow our human rights to be divided up and parceled out into isolated boxes that people are then forced to pick and choose among.

Intentional Abduction Ellora's Cave

Jeanie loves a New Species and is willing to pay for that love with pain, tears and heartbreak. She'll do anything to keep 710 alive but she never wants him to know how she suffered for him. He's the reason for her mission in life-freeing others like him. True has a new life working with the NSO to rescue his people. A good life, until he encounters a dying woman--the female who betrayed him. True should feel gratified that she's finally going to pay for her crimes, but she claims to be a victim too. He is still irresistibly drawn to the pretty little human who touched his heart and made him want her. When he clasps her hand to offer comfort, his instincts kick in and True will fight everyone to protect her.

Raff Ellora's Cave

The Sea is Rising and So Are We: A Climate Justice Handbook is an invitation to get involved in the movement to build a just and sustainable world in the face of the most urgent challenge our species has ever faced. By explaining the entrenched forces that are preventing rapid action, it helps you understand the nature of the political reality we are facing and arms you with the tools you need to overcome them. The book offers background information on the roots of the crisis and the many rapidly expanding solutions that are being implemented all around the world. It explains how to engage in productive messaging that will pull others into the climate justice movement, what you need to know to help build a successful movement, and the policy changes needed to build a world with climate justice. It also explores the personal side, how engaging in the movement can be good for your mental health. It ends with advice on how you can find the place where you can be the most effective and where you can build climate action into your life in ways that are deeply rewarding.

Over the past decade, mainstream feminist theory has repeatedly and urgently cautioned against arguments which assert the existence of fundamental—or essential—differences between men and

women. Any biological or natural differences between the sexes are often flatly denied, on the grounds that such an acknowledgment will impede women's claims to equal treatment. In *Caring for Justice*, Robin West turns her sensitive, measured eye to the consequences of this widespread refusal to consider how women's lived experiences and perspectives may differ from those of men. Her work calls attention to two critical areas in which an inadequate recognition of women's distinctive experiences has failed jurisprudence. We are in desperate need, she contends, both of a theory of justice which incorporates women's distinctive moral voice on the meaning of justice into our discourse, and of a theory of harm which better acknowledges, compensates, and seeks to prevent the various harms which women, disproportionately and distinctively, suffer. Providing a fresh feminist perspective on traditional jurisprudence, West examines such issues as the nature of justice, the concept of harm, economic theories of value, and the utility of constitutional discourse. She illuminates the adverse repercussions of the anti-essentialist position for jurisprudence, and offers strategies for correcting them. Far from espousing a return to essentialism, West argues an anti-anti-essentialism, which greatly refines our understanding of the similarities and differences between women and men.

Comedy is a powerful contemporary source of influence and information. In the still-evolving digital era, the opportunity to consume and share comedy has never been as available. And yet, despite its vast cultural imprint, comedy is a little-understood vehicle for serious public engagement in urgent social justice issues — even though humor offers frames of hope and optimism that can encourage participation in social problems. Moreover, in the midst of a merger of entertainment and news in the contemporary information ecology, and a decline in perceptions of trust in government and traditional media institutions, comedy may be a unique force for change in pressing social justice challenges.

Comedians who say something serious about the world while they make us laugh are capable of mobilizing the masses, focusing a critical lens on injustices, and injecting hope and optimism into seemingly hopeless problems. By combining communication and social justice frameworks with contemporary comedy examples, authors Caty Borum Chattoo and Lauren Feldman show us how comedy can help to serve as a vehicle of change. Through rich case studies, audience research, and interviews with comedians and social justice leaders and strategists, *A Comedian and an Activist Walk Into a Bar: The Serious Role of Comedy in Social Justice* explains how comedy — both in the entertainment marketplace and as cultural strategy — can engage audiences with issues such as global poverty, climate change, immigration, and sexual assault, and how activists work with comedy to reach and empower publics in the networked, participatory digital media age.
