Justice Redeemed

Darren Street Book

Justice Redeemed is a legal thriller, but most of the story is post conviction of the lead character, Darren Street. Darren is a successful criminal defense attorney in Knoxville, TN who finds himself convicted of a murder he did not commit. The story is well researched, in my opinion.

**Justice Redeemed**

**Porter ...**

The main protagonist, Darren Street, is one of the most unlikeable heroes in any book I have read. He perpetrated senseless violence, was self-obsessed, arrogant, remorseless when he did perpetrate violence, caused emotional pain to his son and exhibited narcissistic qualities with the women in his life.

**In "Justice Redeemed"**

Darren Street is a successful criminal defense attorney who, early in his career, successfully had the 19 year old conviction of his uncle overturned. He did this by proving the prosecutor, Ben Clancey, had fabricated evidence to railroad the uncle.
