Every week new publications would warp the minds of our youth, destroy (or save, depending on your point of view) the culture of America, and drain hard-earned dimes from the pockets of young boys and girls. A glorious time! Now you can enjoy again - or, for the first time The comic reprints from are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old Zoot Comics #5 Daylight Books 100 Simple Ways How to Manage a Successful Property and Evidence Room is just that. One hundred simple ways of doing old business through new ways that can lead to real success. After almost seventeen years of frustration and trying to get it right, a new roadmap is finally here in this book and has one hundred simple ways of doing it. It ' s simple, no-nonsense, real-world situations with real-world solutions from someone that does it every day from nine to five, with sometimes twenty-four hours being on call, and loves doing it while giving real advice that works. It ' s a fun read from start to finish that will have you saying, “ Why didn ' t I think of that. Makes sense to me ” —or better yet— “ Wow. ” Leadership from the bottom up. Many organizations are merely successful surviving off of antiquated policies and procedures that create long term ineffectiveness. It has become far too common to pass down the worst practices to our new joins under the banner of “ It ' s always been done this way. ” Over the past seventeen years of faithful service within the New Bern Police Department ' s Forensics and Evidence Unit, I have been able to deploy transcending strategies that have made me one of the leading evidence specialist throughout North Carolina. 100 Simple Ways

How to Manage a Successful Property and Evidence Room is a practical and systematic guide that is a must-have for law enforcement departments of all sizes. Many departments struggle daily with the nagging questions of how to properly store evidence, as well as what are the best practices, and how should a property and evidence room be set up and maintained. In this practical and engaging book, these and many more questions are answered with clarity, accuracy, brevity, and even a splash of levity. It is not because I say so, but because my ideals really do work, and they can work for you in your evidence room. 100 Simple Ways How to Manage a Successful Property and Evidence Room is the culmination of trial and error from things that work versus things that will not work and is finally captured in a “ how-to, ” fun, easy-to-read book that is sure to revolutionize your department ' s management of property and evidence.

SPECIAL OFFER - 55% OFF! Do you make goals, but yet get
discouraged when your plans don't work? Maybe you feel
stuck or feel like you are not in control of your life? The
good news is that if you want to change the path you are on
right now then this book will guide you to a new way of life.
Have you ever wondered why a lot of people put in so much
effort but achieve very little? It is because they have not
successfully mastered the art of goal setting or are not able
to figure out the right ways of executing their goals. It is for
this reason that I have decided to put together everything
you need to know about your goals to help you live a good
life. Life never promises to be easy, as a matter of fact, the
most successful people are not those who stayed aware of
struggles, but those who were able to tackle their problem
head-on and finding solutions to their problems. The key to
living a happy life is not playing safe but in taking actions
towards happiness. A life that is devoid of goals and
aspirations is not worth living because it will be an empty life
without anything to look up to. The most successful people
on earth are not those who slept and dreamt but those who
were able to get value out of their dreams. Getting value out
of your dreams involves setting goals and achieving your
goals. Success isn't solely dependent on goals as it is not all
those who set goals that can achieve their goals. If you must
achieve your goals, you must make a conscious effort
towards setting the right goals in the right way as a goal is
merely a step in futility if it is not rightly set. The most
important thing at every point is to set your eyes on your
final destination, which is your goal. This book offers you a
whole lot of insight into how you can live your best life and
stay away from distractions. Inside this book you will find:
The best ways to set your goals and achieve them as well as
the importance of effective goal setting. You will also learn
the characteristics of an effective goal and strategies that
will help you to execute those goals. SMART goals and
objectives and why it is important to your overall success.
The dangers of procrastination and ways in which you can
overcome it. You will also learn the reasons behind your
habit of procrastination. How can the 80/20 rule, otherwise
known as the Pareto principle, help you? You will find out in
this book. In your journey to living a better life, your mindset
plays a vital role, and you will learn how to change practically
your mindset. Discover how your willpower and emotional
intelligence will also contribute a great deal to helping you
achieve your goal. Achieve your Goals is full of practical

advice and exercise that will have an immediate impact on
your life. You may consider this an A-Z guide on how to live
the best life and reach your full potentials. If you want to
change the path you are on right now then this book will guide
you to a new way of life. Don't miss the chance to start living
the life that you really matter. Grab your copy TODAY!
