Do you make goals, but yet get discouraged when your plans don't work? Maybe you feel stuck or feel like you are not in control of your life? The good news is that if you want to change the path you are on right now then this book will guide you to a new way of life. Have you ever wondered why a lot of people put in so much effort but achieve very little? It is because they have not successfully mastered the art of goal setting or are not able to figure out the right ways of executing their goals. It is for this reason that I have decided to put together

everything you need to know about your goals to help you live a good life. Life never promises to be easy, as a matter of fact, the most successful people are not those who stayed aware of struggles, but those who were able to tackle their problem head-on and finding solutions to their problems. The key to living a happy life is not playing safe but in taking actions towards happiness. A life that is devoid of goals and aspirations is not worth living because it will be an empty life without anything to look up to. The most successful people on earth are not those who slept and dreamt but those who were able to get value out of their dreams. Getting value out of your dreams involves setting goals and achieving your goals. Success isn't solely dependent on goals as it is not all those who set goals that can achieve their goals. If you must achieve your goals, you must make a conscious effort towards setting the right goals in the right way as a goal is merely a step in futility if it is not rightly set. The most important thing at every point is to set your eyes on your final destination, which is your goal. This book offers you a whole lot of insight into how you can live your best life and stay away from distractions. Inside this book you will find: The best ways to set your goals and achieve them as well as the importance of effective goal setting. You will also learn the characteristics of an effective goal and strategies that will help you to execute those goals. SMART goals and objectives and why it is important to your overall success. The dangers of procrastination and ways in which you can overcome it. You will also learn the reasons behind your habit of procrastination. How can the 80/20 rule, otherwise known as the Pareto principle, help you? You will find out in this book. In your journey to living a better life, your mindset plays a vital role, and

---

you will learn how to change practically your mindset. Discover how your willpower and emotional intelligence will also contribute a great deal to helping you achieve your goal. Achieve your Goals is full of practical advice and exercise that will have an immediate impact on your life. You may consider this an A-Z guide on how to live the best life and reach your full potentials. If you want to change the path you are on right now then this book will guide you to a new way of life. Don't miss the chance to start living the life that you really matter. Grab your copy TODAY!

100 Simple Ways How to

Manage a Successful

Property and Evidence

Room is just that. One

hundred simple ways of doing old business through

new ways that can lead to

real success. After almost

seventeen years of

frustration and trying to get

it right, a new roadmap is

finally here in this book and

has one hundred simple

ways of doing it. It's simple,

no-nonsense, real-world

situations with real-world

solutions from someone that

does it every day from nine

to five, with sometimes

twenty-four hours being on

call, and loves doing it while

giving real advice that

works. It's a fun read from start to finish that will have you saying, "Why didn't I think of that. Makes sense to me"—or better yet—"Wow."

Leadership from the bottom up. Many organizations are merely successful surviving off of antiquated policies and procedures that create long term ineffectiveness. It has become far too common to pass down the worst practices

to our new joins under the banner of "It's always been done this way." Over the past seventeen years of faithful service within the New Bern Police Department's

Forensics and Evidence Unit, I have been able to deploy transcending strategies that have made me one of the leading evidence specialist throughout North Carolina.

100 Simple Ways How to Manage a Successful Property and Evidence Room is a practical and systematic guide that is a must-have for law enforcement departments of all sizes. Many

departments struggle daily with the nagging questions of how to properly store evidence, as well as what are the best practices, and how should a property and evidence room be set up and maintained. In this practical and engaging book, these and many more questions are

answered with clarity, accuracy, brevity, and even a splash of levity. It is not because I say so, but because my ideals really do work, and they can work for you in your evidence room. 100 Simple Ways How to Manage a Successful Property and Evidence Room is the culmination of trial and error from things that work versus things that will not work and is finally captured in a "how-to," fun, easy-to-read book that is sure to revolutionize your department's management of property and evidence.
