A young noblewoman flees
to London and poses as a
servant to evade a murderer
in this richly detailed and
"compelling" (Publishers
Weekly) historical novel. A
SECRET TREATY AND A
SECRET LIFE LONDON,
1812: Giselle Barrington is
living a double life, juggling
the duties of chef with those
of spy catcher. She must
identify her father's savage
killer before the shadowy

man finds her and uncovers the explosive political document her father entrusted to her safekeeping. Posing as a French cook in the home of Lord Aldridge, Giselle is surrounded by unlikely allies and vicious enemies. In the streets where she once walked freely among polite society, she now hides in plain sight, learning the hard lessons of class distinction and negotiating the delicate balance between servant and master. Lord Aldridge's insatiable curiosity about his mysterious new chef blurs the line between civic duty and outright desire. Carefully watching Giselle's every move, he undertakes a mission to figure out who she really is—and, in the process, plunges her straight into the heart of danger when her only hope for survival is to remain invisible.

In the far future, Earth is about to be swallowed by a black hole in this sweeping SF epic from one of the masters of the genre. In a time so far from our own that we cannot comprehend

it, humanity has spread amongst the stars and changed in more ways than we can count. But they have never forgotten their birthplace - Earth. But now Earth stands on the brink of catastrophe, at risk of being swallowed by a black hole. One man, Hanosz Prime, ruler of his world, is determined to visit Earth before it is destroyed. His abdication from his throne and his wanderlust are to prove the beginning of a much longer journey - one that will see him fall in love, meet the Oracles of Earth and perhaps, if he is very lucky, provide a means to save the cradle of humanity. Originally started by Robert Silverberg more than 20 years ago but never completed, Hanosz's story is taken up by Alvaro Zinos-Amaro. Silverberg hand-picked Zinos-Amaro to complete the book, and provided notes and guidance. The result is a remarkable collaboration between

one of the masters of SF and one of the most exciting new voices in the genre. *Berlin Reload* Houghton Mifflin College Division

This important book, written by

educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent

"messiness" of this difficult job. *Urban School Leadership* is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels.
