This early work by Henry James was originally published in 1918 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading.. James published his first story, ‘ A Tragedy of Error ’, in the Continental Monthly in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James’s most famous works are The Europeans (1878), Daisy Miller (1878), Washington Square (1880), The Bostonians (1886), and one of the most famous ghost stories of all time, The Turn of the Screw (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Explore the Captivating History of World War 1 The First World War was one of the most devastating conflicts in our history. The death toll was like nothing experienced before, and it is estimated that over 11 million soldiers were killed, wounded, or went missing, and many of those bodies have never been found. Regardless of how people remember the First World War, and whether or not they romanticize the life of a soldier on the front lines, it is important that the world never forgets this brutal and bloody conflict. The tumult and chaos that remained in the wake of the First World War had far-reaching and devastating consequences, not just for Europe and the survivors of the war, but for the entire world. The ruins of Europe provided a fertile breeding ground for fierce nationalism, which led to the rise of the Third Reich and allowed the evil of Adolf Hitler to go unchecked for far too long. In World War 1: A Captivating Guide to the First World War, Including Battle Stories from the Eastern and Western Front and How the Treaty of Versailles in 1919 Impacted the Rise of Nazi Germany, you will discover topics such as The Fatal Shots That Set the Stage for War The Western Front and the First Battle of Marne War in the Trenches The Eastern Front and the Battle of Tannenberg The Battle of Ypres and the Christmas Truce Second Battle of Ypres and the Introduction of Chemical Warfare Chemical Warfare on the Western Front My Boy Jack, the Very Human Cost of the First World War The Gallipoli Campaign The Battle of Jutland The Decline of the Russian Empire The Battle of Verdun The Battle of the Somme America Joins the War The Final Days of the War and the Treaty of Versailles World Leaders Who Played a Pivotal Role in the First World War And much, much more! So if you want to learn more about World War 1, scroll up and click the "add to cart" button!

Magical siblings Whit and Wisty have known each other their whole lives . . . but when a mysterious stranger captures

Wisty's heart, she is forced to make the ultimate choice. Whit and Wisty Allgood, a witch and wizard with extraordinary abilities, have defeated the ruthless dictator who long overshadowed their world. But for the first time in their lives, the powerful brother and sister find themselves at odds as Wisty is drawn to a mysterious and magical stranger named Heath. Wisty has never felt as free as she does with Heath, especially when the two of them share and test their magic together. But when a merciless Wizard King from the mountains suddenly threatens war, Wisty must make an excruciating choice. Will she unite with Whit to fight the mounting dangers that could return their world to a tyrant's domain? Or will she trust the beautiful boy who has captured her heart? James Patterson's epic dystopian saga continues as the witch and wizard who have inspired countless imaginations must rally together before the world they fought to save collapses.
