The Kanji Learner's Course Green Book offers the most convenient way to practice the writing of all 2,300 kanji in the widely praised Kodansha Kanji Learner's Course. Even today when most learners are focused on learning to read kanji rather than to write them, handwriting practice remains essential. Integrating hand-eye coordination with the kinesthetic experience of each kanji's stroke sequence, handwriting improves your ability to recognize each kanji, grasp intuitively how it is put together, and distinguish it from lookalikes. Designed to help you use your study time most efficiently, this simple little workbook contains just the right quantity of writing spaces -- four large spaces followed by seven small spaces -- to give you enough practice for each character. It also offers you: * Convenience: Following the

Course sequence entry by entry, the Green Book makes it easy for you to structure the right amount of handwriting practice into your study routine, experience a sense of creative accomplishment, and exploit the Course's full value.* A broad overview of groups of related kanji: Displaying forty kanji per spread, it also allows you to survey the Course's graphically related groupings, consider the similarities and differences among nearby characters, and fully absorb how each kanji's unique features and composition relate to its meaning.* A good solution for mastering stroke order: Each entry contains both a guide character and tracing characters, but deliberately excludes stroke order to allow you to develop an independent mastery of kanji composition. The main Course book provides stroke order diagrams for when you need them, but this will not be very often provided you follow the Course's graphically cumulative sequence and practice writing every kanji as you go.* Guidance for mastering proper stroke forms: Both the guide characters and the practice squares are cross-hatched to help you achieve precise form.* Savings: Standard genkyoshi manuscript paper typically costs around US\$7-12 online. The Green Book is priced toward the bottom of this range while offering unique convenience for users of the Kanji Learner's Course.

The gladiator alternate fighter class is a robust expansion upon the gladiator archetype in standard fantasy and designed for the Pathfinder Roleplaying Game. Television series such as Spartacus(TM) have vividly inspired us and we are pleased to present 'The Ultimate Gladiator.' Total Party Kill Games' Ultimate Gladiator is an excellent adaptation, blending the exceptional Pathfinder system to a fantastic concept. We've utilized the "Talented" class framework to create a gladiator that is incredibly flexible and has the abilities to back up the strength of the concept. Our gladiator is not only a killer in the arena, but a viable character when allowed to adventure, providing valuable inspiration to his allies as he performs his feats of bravado and dash. While powerful, the gladiator is mostly limited in scope to melee combat and not well armored, preferring light armor and great mobility over heavier armors. This grants him great reflexes and their incessant combat practice allows them to take wounds that would cripple a normal hero and still keep on fighting. Within are multitudes of talents, feats, combat styles, traits, and even archetypes. Play the role of an insightful Andabata (Blind Helm Fighter), a ferocious Bestiarus (Beast Master), an acrobatic Blade Dancer, the charismatic Champion, the reviled Criminal, the massive Gigante (Giant), the alluring Gladiatrix, the unstoppable Immortal, the unflinching Ironbound, the wealthy Noble Gladiator, the deadly ranged Sagittarius, the rage-filled Barbaric Slave gladiator, and the fearsome Venator (Beast Slayer). Use 'The Ultimate Gladiator' to bring an exciting new warrior class into your Pathfinder games. Build a gladiator campaign around the multitudes of different gladiators you can build with this sourcebook. Or play a free gladiator that inspires his adventuring allies with his panache and bravado in your existing campaign. You will be entertained...

This book is published By Berkeley Press. The Khojaly Massacre is a scar on the map of modern history, a wound that remains open to this day, over 24 years later. It is a profound lesson from recent history, yet many are unaware that it ever took place. Rabbi Israel Barouk shines a light on the facts of those brutal days in February of 1992; the invasion, entrapment, and indiscriminate murder against unarmed civilians in the Nagorno-Karabakh region of Azerbaijan. From the snowy evening of February 25 through the frosty night of February 26, 1992, over 600 unarmed Azerbaijani civilians and residents of Khojaly were murdered by Armenian armed forces. Over 300 of those killed were children, women and the elderly. Considered by many as an example of modern day genocide, the Khojaly Massacre challenges what we thought could never

happen. In 1994, the international organization Human Rights Watch condemned it as "the largest massacre in the conflict" between Armenia and Azerbaijan. The Khojaly Massacre has proven that a nation can remain practically alone in the wait for justice and reconciliation, over decades of enduring invasion and ethnic cleansing. Rabbi Barouk draws parallels between Khojaly and other human travesties and prompts the reader to take this recent and unforgettable cruel tragedy personally. Rabbi Israel Barouk completed his Rabbinical degree and Dayanas, as a Judge of the Jewish Court, at Yeshivat Or Elchonon. Originally from Jerusalem, New York City and Paris and currently based in Los Angeles, Rabbi Barouk works with leaders and communities across the globe to study, understand and engage with how "positive multiculturalism" serves as a powerful mechanism toward peace. Through extensive study and engagement with survivors, experts, faith, government and community leaders throughout Azerbaijan and beyond, Rabbi Barouk understands the Khojaly Massacre as a touchstone for broad and deep messages about accountability, and the power and impact of unification for the cause of recovery and justice.
