It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

"Magnificent and unsettling." --Marie Lu, New York Times Bestselling author of the Legend Trilogy A death-defying tropical adventure delivers a frightening message about dabbling with creation, perfect for fans of *Orphan Black*. On a remote island in the Pacific, Corpus scientists have taken test tube embryos and given them life. These beings—the Vitros—have knowledge and abilities most humans can only dream of. But they also have one enormous flaw. Sophie Crue is determined to get to Skin Island and find her mother, a scientist who left Sophie behind years ago. She enlists hunky charter pilot Jim Julien to take her there. But once on the island, Sophie and Jim encounter more than they bargained for, including a charming, brilliant Vitro named Nicholas and an innocent, newly awoken one named Lux. In a race for their lives, Sophie and Jim are about to discover what happens when science stretches too far beyond its reach.

**A Thousand Pieces of You** Penguin

A thrilling series that puts YOU in the center of the action with collectible dragon game cards. Sirin, Allie, and Joss have joined forces with the legendary silver dragon Lysander, the only creature capable of opening portals between the two worlds. But the powerful Lennix clan is following the children's every move and will stop at nothing to capture Lysander. After generations of plotting, the Lennixes -- and their bloodthirsty dragon allies, the Raptors -- are terrifyingly close to establishing a brutal dragon regime on Earth, just like they did centuries ago. Now, it's up to Allie, Joss, and Sirin to protect Lysander while searching for a secret source of lost dragon magic, the only force powerful enough to stop the Raptor. But when their search takes them to one of the largest cities on Earth, the new friends must decide what's more important: finding the missing treasure or guarding the most important secret in the world -- that dragons have returned to Earth . . . and not all of them have good intentions.

**Waiting for Augusta** Springer

The headlines say she killed her family. The truth? She doesn't remember. Andrea McNulty goes to sleep on her eighteenth birthday with a near-perfect life: she's a high school field hockey star, a doted-upon big sister, the beloved daughter of two happy parents. But when she wakes up in a motel room the next morning, unable to remember what happened the previous night and covered in blood, Andi is a fugitive. According to the news, Andi's parents were brutally attacked in the middle of the night. Her father is dead, her mother is in a coma, her little brother Josh is missing—and Andi is the prime suspect. Terrified and on the run from the police, Andi teams up with Nate, the sympathetic boy working the motel's front desk, to find the real murderer. But while the police are getting further from the killer, the killer is getting closer to Andi—closer than she could ever have imagined.

**Beware, Princess Elizabeth** Carolrhoda Lab ®

Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure?

Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn

Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became one of England's most powerful monarchs and the sister who tried everything to stop her.

Jessica Khoury brings her masterful world-building and emotional depth to this soaring fantasy series. In a world where everyone is born with wings, stone monsters prowl the skies, hunting those who dare to fly too high. In the Clandoms, everyone is born with wings, though not all the clans are treated equally. Ellie Meadows longed to become a Goldwing—the knights who protect the people—but because she came from the humble Sparrow Clan, her dream faced almost insurmountable resistance. Nox Hatcher has it even worse. Nox is a Crow, a shattered clan. They can't own businesses or run organizations, all due to mysterious betrayal made hundreds of years ago. Nox has had to steal and scrape just to survive, but a single goal has kept him going, even when it felt like all the Clandoms were against him. Years ago, his mother was imprisoned for a crime she didn't commit. Now, finally, Nox is going to save her. But there's more to Nox's story than even he realizes, a secret that's been kept buried for centuries. And the king of the Clandoms himself is so desperate to conceal it that he's sent a ruthless assassin
