One of the strangest (and funniest) love triangles ever to hit YA fiction, when a pair of twins (one boy, one girl) both fall for the boy who moves in with them...who may or may not be a vampire. Judy and Kyle Renneker are sixteen-year-old fraternal twins in a rambling family of nine. They have a prickly history with each other and are, at least from Judy's perspective, constantly in fierce competition. Kyle has recently come out of the closet to his family and feels he might never know what it's like to date a guy. Judy, who has a history of pretending to be something she isn't in order to get what she wants, is pretending to be born-again in order to land a boyfriend who heads his own bible study.

Sirin, Allie, and Joss have joined forces with the legendary silver dragon Lysander, the only creature capable of opening portals between the two worlds. But the powerful Lennix clan is following the children's every move and will stop at nothing to capture Lysander. After generations of plotting, the Lennixes -- and their bloodthirsty dragon allies, the Raptors -- are terrifyingly close to establishing a brutal dragon regime on Earth, just like they did centuries ago. Now, it's up to Allie, Joss, and Sirin to protect Lysander while searching for a secret source of lost dragon magic, the only force powerful enough to stop the Raptor. But when their search takes them to one of the largest cities on Earth, the new friends must decide what's more important: finding the missing treasure or guarding the most important secret in the world -- that dragons have returned to Earth... and not all of them have good intentions.

Kudo Kids: The Mystery of the Masked Medalist HarperCollins

Jessica Khoury brings her masterful world-building and emotional depth to this soaring fantasy series. In a world where everyone is born with wings, stone monsters prowl the skies, hunting those who dare to fly too high. In the Clandoms, everyone is born with wings, though not all the clans are treated equally. Ellie Meadows longed to become a Goldwing--the knights who protect the people--but because she came from the humble Sparrow Clan, her dream faced almost insurmountable resistance. Nox Hatcher has it even worse. Nox is a Crow, a shattered clan. They can't own businesses or run organizations, all due to mysterious betrayal made hundreds of years ago. Nox has had to steal and scrape just to survive, but a single goal has kept him going, even when it felt like all the Clandoms were against him. Years ago, his mother was imprisoned for a crime she didn't commit. Now, finally, Nox is going to save her. But there's more to Nox's story than even he realizes, a secret that's been kept buried for centuries. And the king of the Clandoms himself is so desperate to conceal it that he's sent a ruthless assassin after Nox and his friends. The four young fugitives must watch every shadow. If they aren't careful, they'll be cut down before they can rescue anyone.

Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became one of England's most powerful monarchs and the sister who tried everything to stop her.

Hold on to your hats: The authors who brought you the New York Times bestseller *My Plain Jane*, which Booklist praised as "delightfully deadpan" (starred review) and Publishers Weekly called "a clever, romantic farce" (starred review), are back with another irreverent historical adventure. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou—better known as werewolves. And where there are garou, there're hunters: the one and only Calamity Jane, to be precise, along with her fellow stars of *Wild Bill's Traveling Show*, Annie Oakley and Frank "the Pistol Prince" Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there's talk of a garou cure. But rumors can be deceiving—meaning the gang better hightail it after her before they're a day late and a Jane short. In this perfect next read for fans of *A Gentleman's Guide to Vice and Virtue*, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splittin', whopper-filled (but actually kind of factual?) tale of Calamity Jane.

Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics. Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure. Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her. Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window. Princess X? When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at IAmPrincessX.com. The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online. And that means that only one person could have started this phenomenon---her best friend, Libby, who lives.
