Barely eighteen-year-old heroine Valentine Shapiro got a raw deal in the parent lottery. Her father was part incubus demon, and her mother's never forgiven her for that. Life after high school is tough enough without having to go 15 rounds with your inner demon. Thrown out of the house by her mother, Val puts one foot in front of the other and does the only thing that seems to make any sense--she takes aim at the town vampires. A stake a day, keeps the demon at bay. (But don't call her Buffy. That makes Lola, her demon, very cranky.) Her dark side makes everyday life a roller coaster, but means she's perfect for her night job as a bounty hunter. San Antonio's vampires are out of control, and it's up to Val, her faithful hellhound Fang, and her new partner, a handsome San Antonio police detective, to get the deadly fangbangers off the city streets. Soon enough she finds herself deep in the underbelly of the city, discovering the secrets of the Demon Underground and fighting to save those she loves. Whether they love her back or not.

A chilling young adult sci fi that will twist your mind. By the author of the best selling series, The Dark Carousel. The hidden, tropical valley of Lake Ephemeral seemed like a paradise. When orphan Seraphin is told her mother is alive and living in this idyllic valley, she's overjoyed. At last, she can have a family. But something is wrong in Lake Ephemeral. Seven mansions surround the lake, and it is forbidden to enter the seventh. Seraphin accidentally discovers the terrifying secret inside the seventh manor. A group of scientists is experimenting on the children. But there's no escape. No resident of the valley ever sets foot outside the high, iron fences that

surround it - not even when a young girl falls ill and dies. In her seventeenth year, Seraphin will make a bold but desperate plan. The clock is ticking. The experiments carried out on her when she was just a child are about to change her in ways she does not yet understand. "...this novel was unique and interesting and exciting from beginning to end. A refreshing change of pace from your typical YA novel. One part mystery, one part thriller, one part science fiction with a particular emphasis on the science. It was truly a gem to find." Jess ?Harbinger of Blood-Soaked Rainbows? (Goodreads reviewer) Lake Ephemeral is also published in France by publisher, Editions du Chat Noir.

The Good Fairies of New York Simon and Schuster Love The Hunger Games? Action-adventure thrillers with a dystopian twist? BZRK (Berserk) by Michael Grant, New York Times best-selling author of the GONE series, ramps up the action and suspense to a whole new level of excitement. Charles and Benjamin Armstrong, conjoined twins and owners of the Armstrong Fancy Gifts Corporation, have a goal: to turn the world into their vision of utopia. No wars, no conflict, no hunger. And no free will. Opposing them is a guerrilla group of teens, code name BZRK, who are fighting to protect the right to be messed up, to be human. This is no ordinary war, though. Weapons are deployed on the nano-level. The battleground is the human brain. And there are no stalemates here: It's victory . . . or madness. BZRK unfolds with hurricane force around core themes of conspiracy and mystery, insanity and changing realities, engagement and empowerment, and the larger impact of personal choice. Which side would you choose? How far would you go to win?

In this urban fantasy by a #1 New York Times – bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she ’ s been so wicked that Seattle ’ s ü ber-demon Jerome, decides to “ outsource ” Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there ’ s nothing to keep Georgina from getting down and dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose... Praise for Richelle Mead and her Succubus series “ Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up! ” —Lilith Saintcrow, author of The Devil's Right Hand “ This is one of those series I'm going to keep following. ” —Jim Butcher, New York Times bestselling author of the Harry Dresden series “ The mix of supernatural mystery, romance, and reluctant succubus is great fun. ” —Locus “ Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism. ” —Booklist

In this urban fantasy, a malevolent force seeks to destroy a succubus as she struggles to be a bridesmaid in her ex ’ s wedding. Georgina Kincaid has formidable powers. Immortality, seduction, shapeshifting into any human form she desires, walking in heels that would cripple mere mortals—all child ’ s play to a succubus like her... Helping to plan her ex-boyfriend ’ s wedding is a different story. Georgina isn ’ t sure which is worse—that

Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't—and that Hell is far from the worst place to spend eternity... A powerful young warrior must return to the perilous city she escaped years ago in the New York Times – bestselling author's fantasy series debut. Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her. Children were being murdered—and every victim had the same odd markings that had mysteriously appeared on her own skin. . . . Since then, Kaylin has learned to read, she's learned to fight, and she's become one of the vaunted Hawks who patrol and police the City of Elantra. Alongside the winged Aerians and the immortal Barrani, she's made a place for herself, far from the mean streets of her birth. But now children are dying once again. And a dark and familiar pattern is emerging. Kaylin is ordered back into Nightshade with a partner she knows she can't trust, a dragon for a companion, and a device to contain her powers—powers that no other human has. Her task is simple—find the killer, stop the murders . . . and survive the attentions of those who claim to be her allies . . .

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times – bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line... The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

Blood Will Tell Macmillan

Named "One of the 100 best books ever published in Canada" (The Literary Review of Canada), Rites of Spring is a brilliant and captivating work of cultural history from the internationally acclaimed scholar and writer Modris Eksteins. Dazzling in its originality, witty and perceptive in unearthing patterns of behavior that history has erased, Rites of Spring probes the origins, the impact and the aftermath of World War I--from the premiere of Stravinsky's ballet Le Sacre du Printemps in 1913 to the death of Hitler in 1945. "The Great War," Eksteins writes, "was the psychological turning point...for modernism as a whole. The urge to create and the urge to destroy had changed places." In this extraordinary book, Eksteins goes on to chart the seismic shifts in human consciousness brought about by this great cataclysm through the lives and words of ordinary people, works of literature, and such events as Lindbergh's transatlantic flight and the publication of the first modern bestseller, All Quiet on the Western Front. Rites of Spring is a remarkable and rare work, a cultural history that redefines the way we look at our past and toward our future.
