Thomas K. Arnold's Practical Introduction to Latin Prose Composition was first published in 1839, and was later edited and revised by George Granville Bradley (1821-1903) of University College, Oxford. This graduated and systematic approach to elements of Latin grammar and syntax has been the reference of choice for both teachers and students ever since, and has been revised, updated and redesigned several times. The book reissued here is a companion volume, first published by Bradley in 1881, which contains answers to all the exercises in Arnold's classic textbook. Long out of print, the Key provides model Latin solutions to all the exercises, as well as pedagogical footnotes and cross-references. A valuable resource for all instructors who use Bradley's Arnold, it will also be helpful to students wishing to write more accurately in Latin.

This is a collection of eleven plays, written and devised by second and third year pupils using the Cambridge Latin Course. The language and background draw on Unit 1 of the Cambridge Latin Course, although students of other texts will be able to read and enjoy the collection. Unusual vocabulary is explained and there is also a consolidated vocabulary that includes macrons for pronunciation guidance. The casts of the eleven plays call for four to twenty-three characters with speaking parts of various lengths. The book also presents a vivid picture of Pompeii's fiery end, referring not only to Pliny's ancient reports, but also to newspaper and artistic reports from more recent eruptions. This collection of playlets makes a stimulating supplement to beginners' courses, including, but

certainly not limited to the Cambridge Latin Course. Pupils' amusement and involvement will help the teacher who finds the use of oral Latin increasingly helpful.
