astounding results of the atonement for followers of Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross: deliverance from this present evil age, from the law, from self, from the flesh, and from the world. This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.

The Hundred Years' War sets Brittany ablaze in this unputdownable medieval adventure. Into a land torn by civil war rides freebooter Martin Kemp, in search of a lord in whose service he can win plunder and glory. Soon he falls under the spell of charismatic outlaw Sir Ranulf FitzWaryn, who entertains grandiose ambitions of ruling over his own personal fiefdom. The higher Kemp rises through the ranks of FitzWaryn's band, the more he realises the price of success might be his very soul. When a French Army comes seeking a reckoning, Kemp's loyalties are divided between his king and the woman he loves, forcing him to gamble all against impossible odds on the battlefield. A thrilling historical series, the bestselling Arrows of Albion series is perfect for fans of Conn Iggulden and Bernard Cornwell.

In her sizzling new Love Under the Big Sky series, USA TODAY bestselling author Kristen Proby sets the stage for a passionate

reunion under the breathtaking Montana sky. Cara Donovan's summer tutoring job is turning out to be a challenge—and not just because of her troubled twelve-year-old student. It's his uncle Josh who's the real problem. If problem is the word for an irresistibly cocky, muscle-bound rancher with a taste for tight Levi's and shameless flirtation... Cara is nothing like the wallflower Josh King remembers good-naturedly teasing in high school. This Cara is gorgeous, confident, fun. From the moment the fiery teacher steps foot on his family's Lazy K Ranch, the stubborn playboy is determined to corral her. So what happens when his luscious lover takes over the reins? The first in a steamy trilogy, Kristen Proby's enthralling novel is filled to the brim with one hardworking family's triumphs and challenges, all the wild adventure of the modern West, and a whole lot of titillating fun.

A comprehensive, self-contained survey of the theory and applications of differential games, one of the most commonly used tools for modelling and analysing economics and management problems which are characterised by both multiperiod and strategic decision making. Although no prior knowledge of game theory is required, a basic knowledge of linear algebra, ordinary differential equations, mathematical programming and probability theory is necessary. Part One presents the theory of differential games, starting with the basic concepts of game theory and going on to cover control theoretic models, Markovian equilibria with simultaneous play, differential games with hierarchical play, trigger strategy equilibria, differential games with special structures, and stochastic differential games. Part Two offers applications to capital accumulation games, industrial organization and oligopoly games, marketing, resources and environmental economics.

His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album—like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer—and make him fall in love with me. I was hired to inspire—to become embedded into every lyric he wrote. Then, I was to set fire to it all—to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself—to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me.

Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm?
