The Indolence of the Filipino

Hachette UK

All the fundamentals. No fluff. Learn more with less!

A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility.

The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important.

Though brief, this core book is still robust enough to provide everything that

students need to be successful in their American Government course.

Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

These fun faux matchsticks are printed with prompts and talking points that will get loved ones laughing, connecting, and playing together. A perfect way to liven up family gatherings and road trips, this colorful box of joy makes an

extra-sweet gift for Mother's Day or Father's Day. Cr è me de Colorado Cookbook Bloomsbury Publishing

Touch, feel, and hear the trucks on every page of this sturdy board book. Engaging photographs and appealing textures encourage young readers to explore the exciting world of trucks.

Science Focus 2
Hodder Education
"If I had asked people what they wanted, they would have said faster horses." --Henry Ford
As one part of your brain processes these words, another part of your brain is urging you to put the book down and focus on

something more pressing. Get back to work on the budget due tomorrow. Answer e-mails growing stale in your inbox. Get off your rear and update that r é sum é . We're all guilty of it, especially in the business world. From Fortune 500 CEOs to assistants, we work to solve the most urgent problems first. That's because evolution has hardwired our brains to focus only on the immediate future, a survival technique that worked extremely well when predators were lurking at every turn. But that was then, this is now. In the modern world, where life expectancies are long and physical perils rare (at least for

people who buy books), processes, this book it's not only possible to build a strong tomorrow without sacrificing today, but to actually increase the number of here-and-now victories by pursuing distant wins. That's where Long Fuse, Big Bang comes in--to help you work with that instinct to create and foster ideas that will lead to explosive professional results. Through proven case studies and personal experience, Dr. Eric Haseltine shows you how to neutralize the quick-fix way of thinking and actually use that desire to improve your chances of an enduring success. Rather than fight our most basic thought

will teach you how to work with your brain to light the long fuse, keep it smoldering, and ignite that "Big Bang" that will make history.

No fantasy setting is complete without a pantheon of powerful deities for its characters to worship or fear. Whether you're a sneaky rogue asking the god of thievery for a blessing on your next heist or a valorous crusader calling the might of your patron down upon the forces of evil, faith and the forces behind it are key to every character's identity. Within this volume you'll find details on the gods and non-deific faiths of the Age of Lost Omens from the perspective of their clergy and lay

worshippers. You'll also discover new domains, feats, and spells to customize your character, and an exhaustive index of hundreds of deities from the Pathfinder setting you can worship (and the mechanical benefits of doing so). An indispensable resource for both players looking to flesh out their characters' motivations and Game Masters aiming to bring the evil cults, zealous evangelists, and holy warriors of their campaigns to life, *Pathfinder Lost Omens Gods & Magic* is an essential addition to any Pathfinder Second Edition campaign!

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase **DISCIPLE** program and is prepared for those who

have completed **BECOMING DISCIPLES THROUGH BIBLE STUDY**. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the

Scriptures for
DISCIPLE IV: UNDER
THE TREE OF LIFE.
The word under in the
title is meant to convey
invitation, welcome,
sheltering, security,
and rest - home at last.
Commitment and Time
Involved 32 week study
Three and one-half to
four hours of
independent study each
week (40 minutes daily
for leaders and 30
minutes daily for group
members) in
preparation for weekly
group meetings.
Attendance at weekly
2.5 hour meetings. DVD
Set Four of the five
videos in this set
contain video segments
of approximately ten
minutes each that serve
as the starting point for
discussion in weekly

study sessions. The
fifth video is the unique
component that guides
an interactive worship
experience of the book

Edible Seashore

Penguin

The Myth of the Lazy Native is Syed Hussein Alatas' widely acknowledged critique of the colonial construction of Malay, Filipino and Javanese natives from the 16th to the 20th century.

Drawing on the work of Karl Mannheim and the

sociology of knowledge, Alatas analyses the origins and functions of such myths in the creation and reinforcement of colonial ideology and capitalism. The book constitutes in his own words: ' an effort to correct a one-sided colonial view of the Asian native and his society ' and will be of interest to students and scholars of colonialism, post-colonialism, sociology and South East Asian Studies. Corrosion Failures CRC Press
OCR Information and Communication Technology GCSE Student's Book has been published to support OCR's new specification. Written by highly experienced senior

examiners and teachers, the text covers the four units of the course: - ICT in Today's World - Practical Applications in ICT - ICT in Context - Creative use of ICT and Coding a solution The core knowledge and understanding required by students for the examined units is provided through an accessible and comprehensive narrative. Tasks and exam-style questions are provided throughout the chapters, providing students with opportunities to prepare for the exams. Students are also provided with support in tackling the tasks demanded by Units 2 and 4a / 4b of the course.
