With a gear-buying guide and hundreds of color photos, this is the clearest, most accessible instructional guide available—for paddling on ponds, lakes, rivers, or oceans.
The Art of Kayaking Stackpole Books
A thorough introduction to an increasingly

popular fishing sport. Did you know that kayak fishing has shot up in popularity over the past few years? Americans take more than 38 million kayak fishing trips every year. While most outdoors enthusiasts think of kayaks simply as boats, there are many great reasons to take up fishing from a kayak. A kayak is cheaper to maintain than a larger fishing boat; it can be launched from almost anywhere and piloted by almost anyone; and kayakers can access places larger boats can't, opening up new fishing spots. So join in on the fun with *The Ultimate Guide to Kayak Fishing*. Joel Spring guides readers through choosing a kayak from the various types, transporting it, and outfitting it with the absolute necessities. He covers vital safety information, from life-preservers and

waterproof cell-phone cases to boat traffic and weather concerns. Finally, he offers key insights for a successful kayak fishing experience. Topics covered include: Standing to fish Casting under brush and trees Fishing in the wind Bait, casting, fly, and night fishing tips, tactics, and techniques Landing fish in a kayak And much more! Spring finally offers further advice on kayak maintenance as well as making kayak fishing a friend and family event. Pick up a copy of *The Ultimate Guide to Kayak Fishing* for a complete introduction to this great, less-known fishing sport. [Inflatable Kayaking: A Beginner's Guide](#) Simon and Schuster

The most comprehensive guide for sea kayakers of all levels First published in 1976, *The Complete Book of Sea Kayaking* is a comprehensive guide

for the beginner and an invaluable reference book for the experienced sea kayaker. Originally penned by the late Derek C. Hutchinson, an international authority on sea kayaking, it describes equipment, basic and advanced techniques, weather and navigation, and is illustrated throughout by the author's own drawings and color photographs. This new 40th anniversary edition has been completely updated in line with the latest sea kayaking developments by Wayne Horodowich, a longtime friend of Hutchinson's and the founder of University of Sea Kayaking.

A Beginner's Guide to Kayaking Rowman & Littlefield

There has been an explosion of interest in paddling right across the world – in 2020, British Canoeing reported a 40% rise in members, with 19,000 signing up in a

3-month period. Much of this interest has been in inflatable kayaks, with the author's own website (inflatablekayaksandpackrafts.com) averaging 1,000 visits a day. The comparatively low cost, the convenience of inflatable kayaks, and the fact that you can just get in and go, all add up to their appeal. And with thousands of miles of waterways in the UK, most are within reach of a river or canal where you can paddle your kayak and enjoy being in the fresh air, gently travelling through the natural world. You see the country from a different perspective and in an eco-friendly way. But, as with everything, a little bit of knowledge and technique makes the experience so much more enjoyable! That is where this book comes in. It provides a perfect introduction to the sport. It takes you through the different

types of inflatable kayaks, so you buy the one that is right for you. It shows you the basic on-the-water skills that you will need, including getting in and out, how to paddle straight and turn. It outlines the gear you will need and talks about where to paddle as well as weather, safety, maintenance and repair of your equipment. It covers kayaking in rivers and canals, lakes and lochs, and coastal kayaking. All aspects are heavily illustrated with colour photographs making it easy to understand and clear to follow.

Canoe & Kayak The Rosen Publishing Group, Inc
