### **Keep Holding On Quotes by Susane Colasanti**

Keep Holding On is a bit of a departure from her previous novels because it focuses on Noelle's treatment at school and her damaging home life. While perhaps a third of the book revolves around Noelle's makeout partner Matt, who wants her to be his "secret girlfriend," as well as Noelle's crush on Julian, whom she feels is too good for her, romance does not drive the entire plotline.

Keep Holding On is about  
Noelle, a girl who is bullied  
at school for being poor. It's  
clear that Ms. Colasanti has  
experienced bullying and I'm  
sorry that she has. It's also  
equally clear that she has  
no idea what it's like to be  
truly poor, and as someone  
who grew up poor, and who  
works as a librarian in a  
town where there are teens  
in the same situation This  
may be the most rage-  
inducing book I've ever  
read. EVER.
