Fighting Smarter is the result of over 40 years of specialized training, education and experience in using handguns for self defense. Consisting of 40 chapters and over 300 pages, this book is full of vital information for anyone concerned about personal security. The first half of the book deals with the "software" issues, such as developing your awareness skills, building a winning mindset, and your legal rights and responsibilities. There is also a great deal of information about crime and how criminals operate, to help you see problems as they develop. The "hardware" section deals with selecting the right gun, holster, and ammunition and proper training to take control of your life. The author has been carrying a gun professionally for over 40 years and has been conducting training for over 35 years. Givens serves

as an expert witness on firearms and firearms training issues in both state and federal courts all over the US. He is a former champion competitor in both IPSC and IDPA competition, and he holds an IDPA Master rating in CDP, ESP, and SSP divisions. Givens has written well over 100 published magazine articles in Combat Handguns Magazine, SWAT Magazine, Concealed Carry Magazine, Soldier of Fortune, and other publications. This is his fifth published textbook.

Gun Digest Book of Revolvers

Assembly/Disassembly White Feather Press, LLC
The acclaimed debut short story collection that introduced the world to an arresting and unforgettable new voice in fiction, from multi-award winning author ZZ Packer Her impressive range and talent are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight, ZZ Packer helps us see the world with a clearer vision. Fresh, versatile, and captivating, *Drinking Coffee Elsewhere* is a striking and unforgettable collection, sure to stand out among the contemporary canon of fiction.

Sonnets 2000 Simon and Schuster

In the backcountry of Idaho, a tribe of men are hunting and killing with a dream of returning the world to an earlier time. A time when courage and prowess in the field determined a man's worth. A time when the strong took what they wanted, and the weak cowered in fear. Mike Bryant has come to the wilderness to die. Tired of the trappings of modern life, his will to live has run out. But when he crosses paths with a group of warriors who challenge him, he suddenly finds purpose. Mike is no ordinary man.

Frozen and given up for dead, an inner core of rage ignites a fury few have seen and lived. Deep in the White Cloud Mountains, a demon is awakening. The Last Son of The War God was forged in the storm of blood and fire. And now he's angry

Metallurgy Fundamentals Thomson Brooks/Cole
Illustrated Edition of 1959 in Facsimile.
This is the first edition of one of the
classic descriptions of wildcat cartridges,
first published in 1949. Though revised and
updated in 1962, this is Ackley's first
effort at tackling the loading data, theory,
and practice of wildcat cartridges. A
wildcat cartridge, often shortened to
wildcat, is a custom cartridge for which
ammunition and/or firearms are not mass-
produced. These cartridges are often created
in order to optimize a certain performance
characteristic (such as the power, size, or
efficiency) of an existing commercial
cartridge. Developing and using wildcat
cartridges does not generally serve a
purpose in military or law enforcement; it
is more a hobby for serious shooting,
hunting, gunsmithing and handloading
