These challenges can create conflicts in the use of natural resources between different stakeholders. Through many case studies, the book discusses the nature of the conflicts and identifies what is known and not known about how to manage them. For example, some case studies relate to the trade-offs between enhancing agricultural production by constructing embankments to keep out saline water and maintaining not only the variety of rural livelihoods but also brackish aquatic biodiversity. Other case studies provide the lessons learnt from the conversion of mangrove forests to shrimp farms. *New Directions for SSA*

Largely overshadowed by World War II’s “greatest generation” and the more vocal veterans of the Vietnam era, Korean War veterans remain relatively invisible in the narratives of both war and its aftermath. Yet, just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants, the Korean Peninsula chipped away at the beliefs, physical and mental well-being, and fortitude of Americans completing wartime tours of duty there. Upon returning home, Korean War veterans struggled with home front attitudes toward the war, faced employment and family dilemmas, and wrestled with readjustment. Not unlike other wars, Korea proved a formative and defining influence on the men and women stationed in theater, on their loved ones, and in some measure on American culture. In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the “forgotten war” but chronicles the larger personal and collective consequences of waging war the American way.

[The Hindu Index](#) Charlie 1-26 confronted one of the worst neighborhoods in Baghdad and lost more men than any battalion since Vietnam Based on "Blood Brothers", the Michael Kelly Awardnominated series that ran in Army Times, this is the remarkable story of a courageous military unit that sacrificed their lives to change Adhamiya, Iraq, from a lawless town where insurgents roamed freely, to a secure neighborhood with open storefronts and a safe populace. Army Times writer Kelly Kennedy was embedded with Charlie Company in 2007, went on patrol with the soldiers and spent hours in combat support hospitals. During that period, one soldier threw himself on a grenade to save his friends, a well-liked first sergeant shot himself to death in front of his troops, and a platoon staged a mutiny. The men of Charlie 1- 26 would earn at least 95 combat awards, including one soldier who would go home with three Purple Hearts and a lost dream. This is a timeless story of men at war and a heartbreaking account of American sacrifice in Iraq.
