When a mysterious stranger turns up making claims that threaten Lady Fowling ' s legacy, Hayley Burke must dig deep into her late benefactor ' s history to uncover the truth and catch a conniving killer in this new mystery from USA Today bestselling author Marty Wingate, now in paperback. It has been nearly a year since I took up my position as curator of Lady Georgiana Fowling ' s collection of Golden Age of Mystery writers ' first editions at her library in Middlebank House. I have learned that I need to take the good with the bad. The good: I have finally convinced Mrs. Woolgar to open up the collection to the public one day a week so that they too can share in Lady Fowling ' s passion. The bad: although he would not be my first, or even tenth, choice, at the insistence of the board Charles Henry Dill, Lady Fowling ' s unscrupulous nephew, is now my personal assistant. On one of our first days open to the public, Mr. John Aubrey shows up at Middlebank House and insists that Lady Georgiana Fowling is his grandmother. Mrs. Woolgar is scandalized by his claims, and Charles Henry, who feels he has been cheated out of his rightful inheritance as Lady Fowling ' s heir, is furious. I do not know that I believe Mr. Aubrey, yet he has knowledge of Lady Fowling ' s life and writings that few possess. To further complicate matters, an associate of Mr. Aubrey ' s intends to help us uncover the truth of John ' s story. But before he can do that, he is murdered and the police have reason to suspect Charles Henry. As much as I would like to lock up Charles Henry and throw away the key, I cannot believe he is a killer. And I also know there is something dead wrong about Mr. Aubrey ' s tales regarding his " grandmother " Lady Fowling. I will need to make sense of her past in order to suss out the true villain of this story.

If I have been charitable in my judgments of my fellow man; if I have tried to help him as best I could; if I have done my utmost to truly understand him, I know why I have taken this course - I could not help it. I could have had no comfort or peace of mind if I had acted any other way. I have been interested in the study of man, and the motives that move and control his life. I have rejoiced with him, and have grieved with him, I have followed my instincts and sought to rescue the suffering when I could. - Clarence Seward Darrow. The Buddhists have a term they use to describe the process of comfortably meshing our core values with the way we make our living. They refer to it as the process of finding a right livelihood. The values that Clarence Darrow meshed with his role as a lawyer came from many sources. He was a philosopher, scientist, sociologist, historian, and theologian. Darrow in no way resembled the single-dimensional linear-thinking attorney that seems to be almost clich é and epidemic in the 90s. He was not the abridged version of a lawyer. His endless effort to understand and appreciate the world outside the four walls of his law office contributed to his legendary ability as an advocate. More importantly, his effort contributed to his arriving at a right livelihood.
