If I have been charitable in my judgments of my fellow man; if I have tried to help him as best I could; if I have done my utmost to truly understand him, I know why I have taken this course - I could not help it. I could have had no comfort or peace of mind if I had acted any other way. I have been interested in the study of man, and the motives that move and control his life. I have rejoiced with him, and have grieved with him, I have followed my instincts and sought to rescue the suffering when I could. - Clarence Seward Darrow. The Buddhists have a term they use to describe the process of comfortably meshing our core values with the way we make our living.

They refer to it as the process of finding a right livelihood. The values that Clarence Darrow meshed with his role as a lawyer came from many sources. He was a philosopher, scientist, sociologist, historian, and theologian. Darrow in no way resembled the single-dimensional linear-thinking attorney that seems to be almost cliché and epidemic in the 90s. He was not the abridged version of a lawyer. His endless effort to understand and appreciate the world outside the four walls of his law office contributed to his legendary ability as an advocate. More importantly, his effort contributed to his arriving at a right livelihood.

The Language of Sycamores Tyndale House Publishers, Inc.

When a mysterious stranger turns up making claims that threaten Lady Fowling's legacy, Hayley Burke must dig deep into her late benefactor's history to uncover the truth and catch a conniving killer in this new mystery from USA Today bestselling author Marty Wingate, now in paperback. It has been nearly a year since I took up my position as curator of Lady Georgiana Fowling's collection of Golden Age of Mystery writers' first editions at her library in Middlebank House. I have learned that I need to take the good with the bad. The good: I have finally convinced Mrs. Woolgar to open up the collection to the public one day a week so that they too can share in Lady Fowling's passion. The bad: although he would not be my first, or even tenth, choice, at the insistence of the board Charles Henry Dill, Lady Fowling's unscrupulous nephew, is now my personal assistant. On one of our first days open to the public, Mr. John Aubrey shows up at Middlebank House and insists that Lady Georgiana Fowling is his grandmother. Mrs. Woolgar is scandalized by his claims, and Charles Henry, who feels he has been cheated out of his rightful inheritance as Lady Fowling's heir, is furious. I do not know that I believe Mr. Aubrey, yet he has knowledge of Lady Fowling's life and writings that few possess. To further complicate matters, an associate of Mr. Aubrey's intends to help us uncover the truth of John's story. But before he can do that, he is murdered and the police have reason to suspect Charles Henry. As much as I would like to lock up Charles Henry and throw away the key, I cannot believe he is a killer. And I also know there is something dead wrong about Mr. Aubrey's tales regarding his "grandmother" Lady Fowling. I will need to make sense of her past in order to suss out the true villain of this story.

The Things We Cannot Say Carson-Dellosa Publishing

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling." —Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

When Josef Weber, an elderly man in Sage's grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their differences, they see in each other the hidden scars that others can't. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor. In this searingly honest novel, Jodi Picoult gracefully explores the lengths to which we will go in order to keep the past from dictating the future.
