"Foster convincingly brings her characters to life against the idyllic backdrop of Kentucky farmland. This down-to-earth romance will especially appeal to animal lovers."—Publishers Weekly on *The Somerset Girls* No one knows you quite like a sister... Summer in Sunset, Kentucky, means long, hot days—and sometimes surprising new beginnings. Through it all, the ties of sisterhood will be there, guiding Autumn and Ember to the lives, and loves, they need... When they're running the animal-rescue farm they inherited from their grandparents, Autumn and Ember Somerset are perfectly in sync. At all other times, not so much. Dependable Autumn would rather curl up with a good book than paint the town red with Ember. After the disaster that was Autumn's last relationship, it's pure self-protection. But when her high school crush comes back to town with his adorable young daughter, igniting memories best left forgotten, there's only one person Autumn can turn to... Beneath Ember's free-spirited facade is a layer of deep hurt. She'll gladly nudge Autumn toward a second chance. But risk her own heart? Not likely. The closer Autumn gets to her own happily-ever-after, the more Ember wonders what she might be missing—and if it isn't her time to be bold, too. Don't miss *The Honeymoon Cottage*, an all-new romantic family saga by Lori Foster where locals of a quirky small town help an on-the-shelf wedding planner find her own happily-ever-after.

Escorting the Royal Canelo

Mark Hannigan is a homicide detective in the isolated town of Pacific Glade, located in the dense forest regions of Washington. The town is so shut off from the rest of the world that it has earned the nickname "Neverglades" from its longtime residents. The Neverglades are no stranger to bizarre and inexplicable events, and Hannigan has seen plenty of things on the police force that seem to defy earthly explanation. Enter the Inspector. A mysterious figure always seen with a cigar and fedora, this otherworldly detective knows more about the workings of the Neverglades than any human being rightly should. There's a rip in reality around Pacific Glade, he says, making it a breeding ground for the strange and supernatural, and the Inspector is just one of many entities who have managed to slip through. In these nine interwoven stories, Hannigan and the Inspector traverse the haunted grounds of the Neverglades, where it's going to take everything they've got to make it out alive. Time paradoxes, pocket universes, giant dream-weaving crabs and star-snuffing leviathans - it's a lot for one measly little human to handle. But with an eldritch abomination by his side, Hannigan just might stand a chance.
