Is a Kelvinator fridge
worth the money?
Kelvinator has been
present in Australia
since 1921 and has
sold more than five
million refrigerators
here since then. As
evident, many

Aussies feel right at home with a Kelvinator sitting in their kitchen.

Kelvinator tends to offer good-value, larger-capacity fridges.

Kelvinator Spare Parts and Accessories

A Kelvinator Impression series 500 refridgerator is leaking water and freezing that water up around the light inside the cool section of the refridgerator, just

under the freezer. Is there a service manual on line?

I have a kelvinator 'impression series-500' (N500) refrigerator around 10 years old that gradually started to build up frost / ice in the freezer compartment whilst at the same time the temperature of the refrigerator increased/ i.e would not cool.
