Is a Kelvinator fridge worth the money?

Kelvinator has been present in Australia since 1921 and has sold more than five million refrigerators here since then. As evident, many Aussies feel right at home with a Kelvinator sitting in their kitchen.

Kelvinator tends to offer good-value, larger-capacity fridges.

kelvinator 500 series leaking fridge? | Mend Kelvinator ...

I have a kelvinator 'impression series-500' (N500) refrigerator around 10 years old that gradually started to build up frost / ice in the freezer compartment whilst at the same time the temperature of the refrigerator increased/

i.e would not cool.

Download Brochures | Support | Kelvinator A Kelvinator Impression series 500 reffridgerator is leaking water and freezing that water up around the light inside the cool section of the reffridgerator, just under the freezer. Is there a service manual on line?
