A thought-provoking, binge-worthy new collection of essays, stories, and musings from Douglas Coupland, Bit Rot

explores the different ways in which twentieth-century notions of the future are being shredded, and it is a literary gem of the digital age. "Bit rot" is a term used in digital archiving to describe the way digital files can spontaneously and quickly decompose. As Douglas Coupland writes, "Bit rot also describes the way my brain has been feeling since 2000,

---

as I shed older and weaker neurons and connections and enhance new and unexpected ones." Bit Rot the book is a fascinating meditation on the ways in which humanity tries to make sense of our shifting consciousness. Coupland, just like the Internet, mixes forms to achieve his ends. Short fiction is interspersed with essays on all aspects

of modern life. The result is addictively satisfying for Coupland's established fanbase hungry for his observations about our world, and a revelation to new readers of his work. For almost three decades, his unique pattern recognition has powered his fiction, his phrasemaking, and his visual art. Every page of Bit Rot is full of wit,

surprise, and delight. Reading Bit Rot feels a lot like bingeing on Netflix... you can't stop with just one. improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. *Abductive Inference* EB Publishing In paperback for the first time, the much-beloved satirical novel *The New York Times* praised as "both a treatise and a romp" Baby Ralph has ways to pass the time in his crib—but they don't include staring at a mobile. Aided by his mother, he reads voraciously: "All of

Swift, all of Sterne, *Invisible Man*, Baldwin, Joyce, Balzac, Auden, Roethke," along with a generous helping of philosophy, semiotics, and trashy thrillers. He's also fond of writing poems and stories (in crayon). But Ralph has limits. He's mute by choice and can't drive, so in his own estimation he's not a genius. Unfortunately for him, everyone else disagrees. His psychiatrist kidnaps him for testing, and once his brilliance is quantified (IQ: 475), a Pentagon officer also

---

abducts him. Diabolically funny and lacerating in its critique of poststructuralism, Glyph has the feverish plot of a thriller and the philosophical depth of a text by Roland Barthes. If anyone can map the wilds of literary theory, it's Ralph, one of Percival Everett's most enduring creations.

Time Life Medical

The New Artisan Bread in Five Minutes a Day is a fully revised and updated edition of the bestselling, groundbreaking, and revolutionary

approach to bread-making--a perfect gift for foodies and bakers! With more than half a million copies of their books in print, Jeff Hertzberg and Zoë François have proven that people want to bake their own bread, so long as they can do it easily and quickly. Based on fan feedback, Jeff and Zoë have completely revamped their first, most popular, and now-classic book, Artisan Bread in Five Minutes a Day. Responding to their thousands of ardent fans, Jeff and Zoë returned to their test kitchens to whip up more delicious baking recipes. They've also included a gluten-

free chapter, forty all-new gorgeous color photos, and one hundred informative black-and-white how-to photos. They've made the "Tips and Techniques" and "Ingredients" chapters bigger and better than ever before, and included readers' Frequently Asked Questions. This revised edition also includes more than thirty brand-new recipes for Beer-Cheese Bread, Crock-Pot Bread, Panini, Pretzel Buns, Apple-Stuffed French Toast, and many more. There's nothing like the smell of freshly baked bread to fill a kitchen with warmth, eager appetites,

---

and endless praise. Now, using Jeff and Zoë's innovative technique, you can create bread that rivals those of the finest bakers in the world in just five minutes of active preparation time.

**The Prairie Homestead Cookbook** Fourth Estate  
“Guides readers toward the road less consumptive, offering

practical advice and moral support while making a convincing case that individual actions . . . do matter.”  
—Elizabeth Royte, author, *Garbage Land and Bottlemania*  
Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health

problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—*Plastic-Free Heroes*—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to

---

other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, *Plastic-Free* is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

*Popular Mechanics* Flatiron Books

From large cities to rural communities, gay men have long been impassioned pioneers as keepers of culture: rescuing and restoring decrepit buildings, revitalizing blighted neighborhoods, saving artifacts

and documents of historical significance. *A Passion to Preserve* explores this authentic and complex dimension of gay men's lives by profiling early and contemporary preservationists from throughout the United States, highlighting contributions to the larger culture that gays are exceptionally inclined to make.

Creative Publishing International

The incredible bestselling first novel from Pulitzer Prize-winning author, Jhumpa Lahiri. 'The kind of writer who makes you want

to grab the next person and say "Read this!" Amy Tan 'When her grandmother learned of Ashima's pregnancy, she was particularly thrilled at the prospect of naming the family's first sahib. And so Ashima and Ashoke have agreed to put off the decision of what to name the baby until a letter comes...' For now, the label on his hospital cot reads simply **BABY BOY GANGULI**. But as time passes and still no letter arrives from India, American bureaucracy takes over and

---

demands that 'baby boy Ganguli' be given a name. In a panic, his father decides to nickname him 'Gogol' - after his favourite writer. Brought up as an Indian in suburban America, Gogol Ganguli soon finds himself itching to cast off his awkward name, just as he longs to leave behind the inherited values of his Bengali parents. And so he sets off on his own path through life, a path strewn with conflicting loyalties, love and loss... Spanning three decades and crossing continents, Jhumpa Lahiri's

debut novel is a triumph of humane story-telling. Elegant, subtle and moving, *The Namesake* is for everyone who loved the clarity, sympathy and grace of Lahiri's Pulitzer Prize-winning debut story collection, *Interpreter of Maladies*.

#### Why We Buy

Jill Winger, creator of the award-winning blog *The Prairie Homestead*, introduces her debut *The Prairie Homestead Cookbook*, including 100+

delicious, wholesome recipes made for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher

These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade

with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin *The Pioneer Woman Cooks* meets *100 Days of Real Food*, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious

---

sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, *The Prairie Homestead Cookbook* shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

### *The United States Patents Quarterly*

This book is about abduction, 'the logic of Sherlock Holmes', and about how some kinds of abductive reasoning can be programmed in a computer. The work brings together Artificial Intelligence and philosophy of science and is rich with implications for other areas such as, psychology, medical informatics, and linguistics. It also has subtle implications for evidence evaluation in areas such as accident investigation,

confirmation of scientific theories, law, diagnosis, and financial auditing. The book is about certainty and the logico-computational foundations of knowledge; it is about inference in perception, reasoning strategies, and building expert systems.
