"Many homeowners will save money with a copy of FIRST AID FROM THE APPLIANCE DOCTOR... They also could save some lives." Les Hausner, Chicago Sun Times. "There are a lot of how-to repair books on the market, filled with diagrams that illustrate wiring & electronic systems. This one is unique...he takes consumers through the process of selecting & shopping for the product that will fit their needs...After that, there

are lessons on simple maintenance ...some of the advice is startlingly simple...More complicated repairs are illustrated, step-by-step, & easy to follow." Esther Sharpiro, Detroit Free Press. The first book to expose the danger of slinky plastic dryer vents, FIRST AID FROM THE APPLIANCE DOCTOR is half expose, half "How To" book. It explains the dangers caused by some home appliances & gives simple, step by step solutions to keeping the

reader's home & family safe. It also gives the consumer the information he or she needs to know to cut through advertising claims, & find out which is really the best appliance to buy. The book gives money saving tips on installation, use, maintenance & repair of most major home appliances. Perhaps, most important of all, Gagnon shows how to be an aware consumer. He explains the most common rip-offs & gives detailed information on

how to protect against them, & get, & keep an honest service contractor. New Hampshire Register, State Yearbook and Legislative Manual

The Safe Food Book
Cengage Learning
Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any

kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use

obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These

recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, *The Prairie Homestead Cookbook* shares the tools and tips Jill has learned from life on the

homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle. The de facto how-to manual of the international Food Not Bombs movement, which provides free food to the homeless and hungry and

has branches in countries on every continent except Antarctica, this book describes at length how to set up and operate a Food Not Bombs chapter. The guide considers every aspect of the operation, from food collection and distribution to fund-raising, consensus decision making, and what to do when the police arrive. It contains detailed information on setting up a kitchen and cooking for large groups as well as a variety of delicious

recipes. Accompanying numerous photographs is a lengthy section on the history of Food Not Bombs, with stories of the jailing and murder of activists, as well as premade handbills and flyers ready for photocopying.
