Originally, the Kenmore brand washing machines were introduced by Whirlpool in 1947. They were an automatic spinner-type washing machine. Whirlpool continues to make Kenmore brand washers for Sears. The Whirlpool Kenmore top-load machines had some specific features they created. One was called the "wig wag" mechanism.

Use enough detergent and warm water to remove stains. Add fabric softener using the built-in or drop-in dispenser, not directly on clothes. Check the iron levels in the water and install a filter if needed. Be sure to remove or secure all sharp items, loose strings, sashes, and other potential hazards before washing.
