Set against the backdrop of one of the most colorful countries in the world, *A Glimpse of Eternal Snows* is an inspiring story of courage, love and a family's determination to give their child the best life possible. In pulsating, polluted Kathmandu and an idyllic village on a river island at the foot of the Himalayas, 'Doctor Jane' and her engineer husband Simon hope to make a difference: Jane to fulfil her vision to heal and advocate for the poor, Simon to

avert the floods that threaten to devastate the land every monsoon season. The Nepali people are accepting of whatever fate flings at them and here the family find sanity, compassion and joy with baby David, who in England was little more than an 'interesting case'. This is a tale of Himalayan highs and monsoon lows, of cultural complexities, unexpected wildlife and rugged terrain, of vivid color, superstition and spicy smells.

There's no way out this time... An unputdownable medieval adventure from a master of the genre Haunted by guilt and his sins, archer Martin Kemp is in Scotland to collect on a debt when war breaks out afresh. The border erupts in bloody violence. Stalked through heather and forest by French men-at-arms sent to stir up the Scots against the English, Kemp and his friend Ieuan find themselves roped into escorting a motley band of civilians to safety. Matters are complicated by a Scottish knight who is not what he seems, but not nearly as much as by the presence of one of Kemp's old flames. Pursued to

Berwick, Kemp and his companions find themselves besieged in the castle with no hope of relief or escape. When the Scots launch an all-out attack, Kemp may have to sacrifice everything in a brutal showdown that will determine the destiny of the Scottish crown... A rollicking adventure in the bestselling series, this brilliant novel from Jonathan Lunn will leave you battered and exhilarated. A sexy, single dad standalone romance from New York Times bestselling author Kendall

Ryan. Life threw me a curveball. An adorable eight-pound, four-ounce curveball with her mother's eyes and my dark hair. I'd like to think my single-dad game is strong, but honestly? I've been struggling a little. When a beautiful young woman moves in next door and offers to give me a hand, I jump at the chance to hire her as a nanny. Jessa is amazing with my daughter. She's also patient, kind, and way too pretty. The number one rule of hiring a nanny? Don't bed the nanny. It's a rule I intend to keep. But as the days pass, I begin to realize how much my life is missing. Companionship. Romance. Intimacy. When I discover my heart has space for one more female, it's a lost cause, another curveball. The hot-as-hell nanny is leaving soon for a mission trip to Central America. No sense in letting myself fantasize about Jessa being a permanent part of my life.

The closer we get, the more difficult it becomes to keep my feelings in check, because my heart won't listen. And neither will my libido. Well, you know what they say. Rules are meant to be broken . . .

This new book is the first of its kind to characterize the host implant interface at both the basic science and clinical level. The book defines the interactions of various cell types with a variety of biomaterials by discussing the basic science of these interactions. This study is important because in today's world of bionics, implantable devices represent a major component of medical practice. They are associated with significant cost and substantial benefit to many patients and morbid complications for many others. Advances in biotechnology promise to lead to the development of artificial prosthetic organs in the near future,

compounding this already complex milieu. *Implantation Biology* enumerates the clinical applications of biomaterials from the surface viewpoint in multiple disciplines. It provides the reader with an historical perspective of the evolution of these clinically utilized biomaterials, as well as an important look at future directions in biomaterials and artificial organs research. Chapters are written by internationally respected experts in their fields and offer both a comprehensive review of biomaterial sciences and a unique specialty-by-specialty analysis of clinical applications.

From USA Today best-selling author, Willow Winters, comes a tempting tale of fated love, lust-filled secrets and the beginnings of an epic war. His chiseled jaw and silver gaze haunts both my nightmares and my dreams, though I've only ever

gotten a glimpse of either. There's a treaty between us and them; mere mortals and the ones who terrify but keep us safe. The contract demands that every year there's an offering and this year I'll walk across that stage presenting myself. We have no idea what to expect if they choose someone, since they haven't done so in generations. The only thing we know is that the ones they take belong to them forevermore. If chosen, you don't come back, or so the story of the treaty goes. Gather and present yourself. This is the offering and I ... belong to him.

Filthy Wolf Blake Pierce

Reprint: This novella was originally published in the Doms of Dark Haven anthology. With an empty nest and divorce

in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious

attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last.
