One conference, two friends and two men who know how to take care of business... After leaving the wrong man, Leah Griffin's not ready to look for the right one. All she wants is to survive the conference she's planning and spend some time with her best friend Kate Edwards. She's not expecting the conference services manager to be so tall, dark and handsome...or so eager to please. It's Brandon Long's job to make Leah happy, but after a scorching interlude in her hotel

room, neither can deny business has become pleasure. Smart, driven and successful attorney Katherine Edwards has spent her life doing the right thing but . Charles Dixon is a bad choice she can't help but make - over and over. A conference and a promotion bring Kate back to Pennsylvania and suddenly, Dix wants far more than a few nights in random hotel rooms. He wants something permanent and Katherine has to figure out if sometimes a wrong choice isn't exactly what a woman needs.

Laura Lippman, Olen Steinhauer, Peter Spiegelman, Kevin Wignall, Jim Fusilli, John Rickards, Patrick J. Lambe, Charlie Stella, Ray Banks, James O. Born, Sarah Weinman, Pat Mullan, Gary Phillips, Craig McDonald, Duane Swierczynski, Reed Farrel Coleman, and others. Irish crime-fiction sensation Ken Bruen and cohorts shine a light on the dark streets of Dublin. Dublin Noir features an awe-inspiring cast of writers who between them have won all major mystery and crime-fiction awards. This collection introduces secret corners of a fascinating city and surprise assaults on the "Celtic Tiger" of modern Irish prosperity. "The

stories paint a picture of Dublin as the Celtic Tiger, a beast crouched on its hind legs about leap at you and roaring with its intensity . . . The cynicism and despair of classic noir is portrayed within each of these stories."

--Metro LA "Dublin Noir is perhaps the best short story anthology I've read."

Murder, They Wrote

Egmont Books (UK)

The Kingdom of David has been the focus of disagreement among Biblical interpreters practically since the ascension of Christ. Since Christ was enthroned at the right hand of God the Father when he ascended, many believe he began ruling from that throne at that time. But is this kingdom over which he rules the Davidic kingdom? Reformed scholars say yes; dispensational scholars say no. A new breed of dispensational scholars say yes and no. These "Progressive Dispensationalists" say Jesus has inaugurated the Kingdom of David but will return to the earth to consummate this kingdom with a millennial reign from Jerusalem. Are they right? This book uses Psalm 110 in the Old and New Testaments to find an answer.

Wiseman gives us the

tools to handle difficult

situations involving teachers and other parents with grace. Reassuring, funny, and unfailingly honest, Wiseman reveals:

- Why PTA meetings and Back-to-School nights tap into parents' deepest insecurities
- How to recognize the archetypal moms and dads—from Caveman Dad to Hovercraft Mom
 - How and when to step in and step out of your child's conflicts with other children, parents, teachers, or coaches
 - How to interpret the code phrases other parents use to avoid (or provoke) confrontation
 - Why too many well-meaning dads sit on the sidelines, and how vital it is that they step up to

the plate

- What to do and say when the playing field becomes an arena for people to bully and dominate other kids and adults
- How to have respectful yet honest conversations with other parents about sex and drugs when your values are in conflict
- How the way you handle parties, risky behavior, and academic performance affects your child
- How unspoken assumptions about race, religion, and other hot-button subjects sabotage parents' ability to work together

Queen Bee Moms & Kingpin Dads is filled with the kind of true stories that made Wiseman's New York Times bestselling book

Queen Bees & Wannabes impossible to put down. There are tales of hardworking parents with whom any of us can identify, along with tales of outrageously bad parents—the kind we all have to reckon with. For instance, what do you do when parents donate a large sum of money to a school and their child is promptly transferred into the honors program – while your son with better grades doesn ’ t make the cut? What about the mother who helps her daughter compose poison-pen e-mails to yours? And what do you say to the parent-coach who screams at your child when the team is losing?

Wiseman offers practical advice on avoiding the most common parenting “ land mines ” and useful scripts to help you navigate difficult but necessary conversations. Queen Bee Moms & Kingpin Dads is essential reading for parents today. It offers us the tools to become wiser, more relaxed parents – and the inspiration to speak out, act according to our values, show humility, and set the kind of example that will make a real difference in our children ’ s lives. The theorems and principles of basic geometry are clearly presented in this workbook, along with examples and exercises for practice.

All concepts are explained in an easy-to-understand fashion to

help students grasp geometry and form a solid foundation for advanced learning in mathematics. Each page introduces a new concept, along with a puzzle or riddle which reveals a fun fact.

Thought-provoking exercises encourage

students to enjoy working the pages while gaining valuable practice in geometry.

Fatal Cut Berkley

A busy, bustling romp of a book that takes you through a toddler's action-packed day. Count the ninety-nine (mostly fun) things a young child does from when he bounces out of bed to when he goes to sleep.

There's so much to look at and talk about on every page - all familiar things that young

children will recognise.

Although books on the
comedies of the silent era
abound, few have
attempted to survey film
comedy as a whole—its
history and evolution, how
the philosophical visions of
its greatest artists and
directors have shaped its
traditions, and how these
visions have informed both
the meaning and manner of
their work. Blending
information with
interpretation, description
with analysis, Mast traces
the development of screen
comedy from the first
crude efforts of Edison and
Lumi è re to the subtlety
and psychological
complexity of Annie Hall.
As he guides the reader
through detailed
discussions of specific
films, Mast reveals the
structures, the values, and
the cinematic techniques
which have appeared and

reappeared in comic cinema. The second edition of *The Comic Mind* treats the comic developments of the 1970s in terms of the traditions of film comedy set forth in the first edition, including a discussion of the evolution of Jacques Tati and the emergence of Mel Brooks and Woody Allen as the two greatest American comic stylists of the seventies. "The most comprehensive study of film comedy yet written in English. . . .
