Known for its unique "Special Topic" chapters and emphasis on everyday health concerns, the Fifth Edition of *Biology of Humans: Concepts, Applications, and Issues* continues to personalize the study of human biology with a conversational writing style, stunning art, abundant applications, and tools to help you develop critical-thinking skills. The authors give you a practical and friendly introduction for understanding how their bodies work and for preparing them to navigate today's world of rapidly expanding—and shifting—health information. Each chapter now opens with new "Did You Know?" questions that pique your interest with intriguing and little-known facts about the topic that follows. The Fifth Edition also features a new "Special Topic" chapter (1a) titled "Becoming a Patient: A Major Decision," which discusses how to select a doctor and/or a hospital, how to research health conditions, and more.

More than a book of rules, this work addresses the youth's formation of character as the very foundation of society. Guidelines that establish the importance of order, punctuality and cleanliness as obligations before God first, and then as acts of courtesy toward our neighbor. Based on a manual used in Catholic schools in the 1950's.

SINCE AFRICA chronicles the relationship between a Dinka refugee from Southern Sudan and three Americans - a North Shore socialite, her daughter, and an African American Deacon - who help him acclimate to Chicago's unfamiliar urban surroundings. A look at American culture through the eyes of an African, this play explores the tensions between blacks and whites, Africans and African Americans, the devout and the non-religious. "... a play of culture shocks and culture clashes, has you reexamining the everyday patterns of the America you take for granted ... many flashes of radiance but a subtle through-line." -Howard Shapiro, The Philadelphia Inquirer "McCullough uses the characters' relationships with Ater to explore such big themes as cultural imperialism, the persistence of ritual and the human cost of both social isolation and the need to belong." -James Hebert, The San Diego Union Tribune "McCullough has written a sensitive and deeply thoughtful play." -Hedy Weiss, Chicago Sun-Times

For many individuals, pornography is a troubling and problematic issue. Regardless of how the public views this topic, one thing is clear: Pornography is as prevalent and accessible as smartphones and laptop computers. Indeed, beyond traditional hardcore material, a pornographic sensibility permeates many aspects of culture—from tween and young teen fashions to television and commercially successful films. In fact, pornography is so widespread that more often than not it is taken as a given in our modern social space. However, the thought of engaging in intellectual discussions about the topic strikes many—particularly scholars—as beneath them. And yet something this impactful, this definitive of modern culture, needs to be laid open to scrutiny. In *The Philosophy of Pornography: Contemporary Perspectives*, Lindsay Coleman and Jacob M. Held offer a collection of essays covering a wide range of viewpoints—from issues of free speech and porn's role in discrimination to the impact of porn on sexuality. These essays investigate the philosophical implications of pornography as a part of how we now seek to conceive and express our sexuality in contemporary life. Contributors to this volume discuss: pornography as a component of gender and sexual socialization ecological understandings of sexually explicit media subordination, sexualization,

and speech feminism and pornography pornography's depiction of love and friendship black women and pornography playfulness and creativity in porn Because its subject matter—sex, gender, interpersonal relationships, and even love—is reflective of who we are and what kind of society we want to create, pornography demands serious treatment. So whether one chooses to accept pornography as a fact of modern culture or not, this collection of timely essays represents a variety of voices in the ongoing debate. As such, *The Philosophy of Pornography* will be of interest to not only those who are engaged in porn studies but also to an audience educated in and conversant with recent trends in philosophy.

Pwc 2003 Benjamin Cummings

America Now makes it easy for you to bring brief, thought-provoking essays on contemporary topics into your classroom, with reliable pedagogy and an expert reader's knowledge of what works for students. As series editor for *The Best American Essays*, Robert Atwan constantly scours a wide range of publications, bringing to *America Now* an unrivaled focus on today's best writing. Instructors tell us that their students want to respond to the essays in the book, and they praise the high-quality reading and writing instruction, critical thinking and reading questions, and model student essays that help them do so. Over half of the readings in *America Now* are new to this edition and published since 2018, making it truly a book for today's composition course.
