Your how-to guide  
to become a ham  
Ham radio, or  
amateur radio, is a  
way to talk with  
people around the  
world in real-time,  
or to send email  
without any sort of  
internet connection.  
It provides a way to  
keep in touch with  
friends and family,  
whether they are  
across town or  
across the country.  
It is also a very  
important  
emergency  
communication

system. When cell

the internet, and  
other systems are  
down or overloaded,  
Amateur Radio still  
gets the message  
through. Radio  
amateurs, often  
called "hams," enjoy  
radio technology as  
a hobby, but are  
often called upon to  
provide vital service  
when regular  
communications  
systems fail. Ham
