Profoundly Disconnected : A True Confession from Mike Rowe
by Mike Rowe

73 Magazine for Radio Amateurs American Radio Relay League
(ARRL)

Step-by-step guide that will get you started in the fascinating world of HF digital technology. Written in an easy to understand, conversational style, this book will show you how to set up and operate your own HF digital. The text includes instructions for configuring software programs for popular modes such as RTTY, PSK31 and JT65. You will also learn about other digital communication modes including MFSK, Olivia and PACTOR.--Book cover.

73 Amateur Radio New Generation Publishing

This handbook contains a wealth of information, including instructions for building a variety of antennas. The Truth Table lists the actual dB gain of 10 popular antennas.

Practical RF Design Manual Cq Communications

Created by engineers at Marconi, the success of the 2MT Writtle station led those same engineers to design and build the BBC.

This book looks at the pioneering history of the early days of radio in Britain.

Guide to RTTY Frequencies Watson-Guption Publications

This authoritative handbook covers the design, construction, installation, and operation of 52 vertical antennas.

The Cardinal Rule American Radio Relay League
(ARRL)

If you're looking for construction projects for QRP transmitters, receivers and accessories, look no further. Experience first-hand the thrill of making contacts using equipment that you built!

2MT Writtle Watson-Guption Publications

One part femme fatale, one part James Bond, an elite spy is drawn into a web of conspiracies that date back centuries. Alisha must untangle the threads before a new, artificially intelligent threat rises as a tool of this dangerous cabal, and the shape of the future is changed forever...
