You want to know that there is a Word/Vocabulary List for the PET exam. However, the list is not exclusive and you may see words outside of this list in the real exam. This product comes with several modules with contents we develop for covering words in the Word/Vocabulary List as well as some related words outside of the list. The goal is to get you adequately prepared for the exam. Some questions are pure textual, while some are graphical. There are questions on conversations and message writing. And there

are longer stories to go through before you can pick the right answers. The PET exam is way more difficult than the KET exam. Make sure you spend enough time preparing for it! This product comes with 110+ practice questions.
