\$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In a Cup, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee hotshots: Counter Culture's Peter Giuliano, Intel ligentsia's Geoff Watts, and Stumptown's Duane Sorenson. "Weissman With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee."

Gourmet Coffee Owner's Manual
Simon and Schuster
“Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide.” —Imbibe Magazine Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other

coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on

how to use that equipment, and an industry language that, at times, doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to

choosing equipment and deciphering coffee bags, Craft Coffee focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home.

“Engaging and fun . . . I really can’t recommend Craft Coffee: A Manual enough. If you’re even mildly curious about brewing coffee at home, it’s absolutely worth a read.” —BuzzFeed One-Piece Flow

vs. Batching
Omer Demir
CONSUMER BEHAVIOR
combines a foundation in key concepts from marketing, psychology, sociology, and anthropology with a highly practical focus on real-world applications for today's business environment. The new edition of this popular, pioneering text incorporates the latest cutting-edge research and current business practices, including extensive

coverage of social media influences, increased consumer power, emerging neuroscience findings, and emotion in consumer decision making. every chapter, CONSUMER BEHAVIOR provides a thorough, yet engaging and enjoyable guide to this essential subject, enabling students and professionals alike to master the skills they need to succeed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Craft Coffee Independently Published The worldwide bestseller - 1/3 million copies

sold 'With his expert guidance we travel around the globe, from Burundi to Honduras via Vietnam, sipping and spitting as we go. This is high geekery made palatable by the evident love pulsing through every sentence.' - The Guardian 'The subject of coffee has never been more, er, hot, and The World Atlas of Coffee takes a close look at its history and evolution, the international range of beans and all the best ways to enjoy coffee. Great pics too.' - Susy Atkins, The Telegraph For everyone who

wants to understand more about coffee and its wonderful nuances and possibilities, this is the book to have. Coffee has never been better, or more interesting, than it is today. Coffee producers have access to more varieties and techniques than ever before and we, as consumers, can share in that expertise to make sure the coffee we drink is the best we can find. Where coffee comes from, how it was harvested, the roasting process and the water used to make the brew are just a few of the factors that influence the taste

of what we drink. Champion barista and coffee expert James Hoffmann examines these key factors, looking at varieties of coffee, the influence of terroir, how it is harvested and processed, the roasting methods used, through to the way in which the beans are brewed. Country by country - from Bolivia to Zambia - he then identifies key characteristics and the methods that determine the quality of that country's output. Along the way we learn about everything from the development of the espresso machine, to why

strength guides on supermarket coffee are really not good news. This is the first book to chart the coffee production of over 35 countries, encompassing knowledge never previously published outside the coffee industry. Adventure Expedition One HMH The best-selling eco-friendly guides to cleaning and organizing your home, from Toni Hammersley of a Bowlful of Lemons, together in one box set. Organize your house in a clutter-free, design-conscious way with practical storage

solutions, secret space-saving methods, and expert strategies. York Times
bestseller. A
groundbreaking
method to master all
types of diabetes by
reversing insulin
resistance. Current
medical wisdom
advises that anyone
suffering from
diabetes or
prediabetes should
eat a low-
carbohydrate, high-
fat diet. But in this
revolutionary book,
Cyrus Khambatta,
PhD, and Robby
Barbaro, MPH, rely
on a century of
research to show
that advice is
misguided. While it
may improve short-
term blood glucose
control, such a diet
also increases the
long-term risk for
chronic diseases like
cancer, high blood

pressure, high
cholesterol, chronic
kidney disease, and
fatty liver disease.
The revolutionary
solution is to eat a
low-fat plant-based
whole-food diet, the
most powerful way
to reverse insulin
resistance in all
types of diabetes:
type 1, type 1.5,
type 2, prediabetes,
and gestational
diabetes. As the
creators of the
extraordinary and
effective Mastering
Diabetes Method,
Khambatta and
Barbaro lay out a
step-by-step plan
proven to reverse
insulin resistance-the
root cause of blood
glucose variability-
while improving
overall health and
maximizing life

expectancy. Armed
with more than 800
scientific references
and drawing on
more than 36 years
of personal
experience living
with type 1 diabetes
themselves, the
authors show how to
eat large quantities
of carbohydrate-rich
whole foods like
bananas, potatoes,
and quinoa while
decreasing blood
glucose, oral
medication, and
insulin
requirements. They
also provide life-
changing advice on
intermittent fasting
and daily exercise
and offer tips on
eating in tricky
situations, such as
restaurant meals
and family dinners.
Perhaps best of all:

On the Mastering Diabetes Method, you will never go hungry. With more than 30 delicious, filling, and nutrient-dense recipes and backed by cutting-edge nutritional science, Mastering Diabetes will help you maximize your insulin sensitivity, attain your ideal body weight, improve your digestive health, gain energy, live an active life, and feel the best you've felt in years.

“ Sinnott ’ s guide to primo coffee enables readers to fill their cups to the rim . . . with greatness . . . [It] will result in a better cup of joe. ”

—Publishers Weekly (starred review) There is no other beverage that gives you a better

way to travel the world than coffee. You can literally taste the volcanic lava from Sumatra, smell the spice fields of India, and lift your spirits to the Colombian mountaintops in your morning cup of joe. The Art and Craft of Coffee shows you how to get the most out of your coffee, from fresh-roasted bean to hand-crafted brew. In The Art and Craft of Coffee, Kevin Sinnott, the coffee world's most ardent consumer advocate, educates, inspires, and caffeinates you. Inside you will find: How green coffee beans are farmed and harvested

Insight into single-origin coffee beans and worldwide coffee harvests A photo guide to roasting your own coffee at home How to choose the best grinder for your beans A complete, visual manual for 9 coffee brewing styles, including French press, vacuum, Chemex, auto-drip, Turkish ibrik, and espresso Delicious recipes for dozens of coffee and espresso beverages “ In the decades that Kevin Sinnott has spent meeting with and interviewing hundreds of coffee professionals, rather than crossing over to the dark side and becoming one

himself, he has taken what he has learned and translated it from coffee geek-speak into English. Why? For the sole purpose of allowing you to better enjoy your coffee. In short, if you like coffee, you will love this book. ” —Oren Bloostein, proprietor of Oren's Daily Roast The Art and Craft of Coffee Little, Brown "Everything you need to know on how to establish practical cleaning routines, create daily upkeep schedules, and make DIY green-cleaning solutions to help keep every area of your home neat, safe, and, most importantly, spotless. Learn how to tackle the most difficult stains, how

often to deep clean upholstery, and how to maintain cleanliness throughout all 365 days of the year. Complete with step-by-step instructions and handy checklists to make cleaning and organizing your home easier than you ever thought possible, learn the secrets to implementing a proven cleaning system to keep up with daily, weekly, and monthly chores for a spotless home. Whether you're new to home keeping or a seasoned cleaner, you'll find that cleanliness is achievable all year long, one day at a time."--Publisher. The Thing About Work CRC Press Although batching often appears more efficient than one-

piece flow for individual tasks, the practice creates waste for other parts of the organization that more than offset its perceived benefits. A silent productivity killer, batching is an extremely difficult mindset to overcome and, as a result, numerous Lean initiatives have been destroyed by Music from Four Centuries Penguin Buying a coffee maker is a painful process, and believe me, not an easy one, especially if you don't know what you need. There are lots of types of coffee makers and grinders, and they have lots of specifications. Some specifications are similar but named differently due to the patent of the technology used.I've

helped thousands of people to guide them to find the right coffee maker and grinder that fits their needs.Most of the annoying issues appear while using. Because you never thought these scenarios would happen before buying your coffee maker.Let me give you an example. Most people don't care about the water tank removability option on espresso or filter coffee machines. If you plan to put your coffee maker on a kitchen countertop and there is a kitchen cabinet on top of it unremovable tank might be a problem for you. You need to pull the coffee maker every time to pour water into it. This is called experience, and I am sharing lots of

real-life experiences with you in this book. Starting with Moka Pot, PourOver, French Press, Chemex, v60, and continue with manual, semi-automatic, and fully automatic espresso makers, filter coffee machines, grinders, and Turkish Coffee. I believe you will learn lots of things when you finished the book.

The Coffee Planter's Manual for Both the Arabian and Liberian Species Penguin

The highly anticipated cookbook from the immensely popular food blog Minimalist Baker, featuring 101 all-new simple, vegan recipes that all

bowl, or require 30 minutes or less to prepare. • Delicious options for hearty entrées, easy sides, nourishing breakfasts, and decadent desserts—all on the table in a snap • Essential plant-based pantry and equipment tips • Easy-to-follow, step-by-step recipes with standard and metric ingredient measurements

Minimalist Baker's Everyday Cooking is a totally no-fuss approach to cooking for anyone who loves delicious food that happens to be healthy too.

What to Say Next Simon and Schuster STARBUCKED will

be the first book to explore the incredible rise of the Starbucks Corporation and the caffeine-crazy culture that fueled its success. Part Fast Food Nation, part Bobos in Paradise, STARBUCKED combines investigative heft with witty cultural observation in telling the story of how the coffeehouse movement changed our everyday lives, from our evolving neighborhoods and workplaces to the ways we shop, socialize, and self-medicate. In STARBUCKED, Taylor Clark provides an objective, meticulously reported look at the volatile issues like gentrification and fair trade that distress activists and coffee zealots alike. Through

a cast of characters that includes coffee-wild hippies, business sharks, slackers, Hollywood trendsetters and more, STARBUCKED explores how America transformed into a nation of coffee gourmets in only a few years, how Starbucks manipulates psyches and social habits to snare loyal customers, and why many of the things we think we know about the coffee commodity chain are false. Coffee Planter's Manual Cool Springs Press Why does a CEO who has already made hundreds of millions of dollars continue to work? Why does a rock star who has made a bundle continue to tour? Why do retirees' miss work

as soon as they stop doing it? Why do we all wrestle with our life's work and talk about it incessantly? The thing about work is that we love it, we hate it, we need it, we miss it, we measure ourselves by it, we judge others by it—we are addicted to it. Work often defines us and fulfills us. Yet, today's rapidly changing workplace environment is stressful and confusing to deal with. In The Thing About Work, Richard A. Moran takes a ground-level perspective on what is happening at work and how to thrive in the new professional world. Through funny, prescriptive vignettes and short essays, Moran finds the "white space" in the company manual—those issues

that you encounter every day at work but which are not covered in employee training. He uses hilarious and true stories from his own life and others' to answer questions like, "Should you take your dog to work?" and "How late is late?" and "What is that foreign object growing in the refrigerator?" This very contemporary view of work will prove invaluable for the modern employee.

The Professional Barista's Handbook
AuthorHouse
Ideal for residents, interns, and medical students,
The Washington Manual® of Pediatrics provides concise rapid-access information to be used while on call,

in a critical care setting, in the emergency unit, and in subspecialty outpatient clinics. Organized by organ system, the book outlines established approaches to the diagnosis and treatment of common inpatient pediatric problems. It includes ample tables, algorithms, and evidence-based references, plus full-color dermatology and infectious disease sections, a formulary, and pocket cards for quick reference. A companion Website will offer the fully searchable text, quarterly drug updates, and an image bank of dermatology and

infectious disease photos. The Washington Manual® is a registered mark belonging to Washington University in St. Louis to which international legal protection applies. The mark is used in this publication by LWW under license from Washington University.

Celebrate a year in the life of The Cat Named Carrot, as she goes from humble beginnings in a shelter to a loving home with a family of three adorable little girls and internet stardom. Bailey was certainly no ordinary cat—an orange tabby

who gained fans around the world when his humanlike antics went viral. Sadly, when 14-year-old Bailey died, his family grieved their loss. They 'd never find a cat quite like him—or would they? Then along came Carrot, an orange tabby kitten born as a stray, who appeared just as Erin Merryn and her young girls Abby, Hannah, and baby Claire were mending their broken hearts. Written in the voice of Carrot, follow her remarkable journey from shelter cat to top Instagram celebrity feline. Much like Bailey did, she loves spending time with her human family: making mischief with her girl gang; going joyriding in a pint-sized pink Barbie Jeep; doing

arts-and-crafts projects; modeling a pink tutu and flowery headband; enjoying a spa day complete with fluffy robe and cucumber eye treatments; celebrating Christmas, Easter, and every holiday in between. It 's no wonder that Carrot 's videos have gone viral—garnering millions of views on Ellen, the Dodo, Good Morning America, Access Hollywood, People, and many more. Complete with four-color photos that will leave readers purring with delight, the journal of this sweet, adorable kitty with personality to spare shows us that the human-animal bond runs more than fur deep. It is love that will last a lifetime!
