**Business Ethics: Ethical Decision Making & Cases** JustJoshin Publishing, Inc.

Packed with cases, exercises, simulations, and practice tests, the market-leading **BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES**, 11th Edition, thoroughly covers the complex environment in which managers confront ethical decision-making. Using a proven managerial framework, this accessible, applied text addresses the overall concepts, processes, and best practices associated with successful business ethics programs -- helping you see how ethics can be integrated into key strategic business decisions. Thoroughly revised, this edition incorporates coverage of new legislation affecting business ethics, the most up-to-date examples, and the best practices of high-profile organizations. It also includes 20 new or updated original case studies. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**How to Play Spoons for Complete Beginners** University of Illinois Press

Spoons is a fast-paced matching game also referred to as Pig or Tongue. It is a multi-round game that involves matching, grabbing, and sometimes bluffing. Similar to musical chairs, there are one fewer spoons than there are players per round. Once a player has four cards of the same rank in hand they grab a spoon in the center of the table. One player will be left without a spoon at the end of the round and they are out. The game continues until there is one player left who is declared the winner. The Husband's Boekerij

AN INSTANT NEW YORK TIMES BESTSELLER! "Honest, timely, and completely thrilling." —Reese

Witherspoon (Reese's Book Club x Hello Sunshine book pick) "Part page-turning thriller, part smart examination of the #MeToo movement, part feminist rallying cry...Whisper Network is the satisfying "beach read" we've earned." —The Daily Beast Sloane, Ardie, Grace, and Rosalita have worked at Truviv, Inc. for years. The sudden death of Truviv's CEO means their boss, Ames, will likely take over the entire company. Each of the women has a different relationship with Ames, who has always been surrounded by whispers about how he treats women. Those whispers have been ignored, swept under the rug, hidden away by those in charge. But the world has changed, and the women are watching this promotion differently. This time, when they find out Ames is making an inappropriate move on a colleague, they aren't willing to let it go. This time, they've decided enough is enough. Sloane and her colleagues' decision to take a stand sets in motion a catastrophic shift in the office. Lies will be uncovered. Secrets will be exposed. And not everyone will survive. All of their lives—as women, colleagues, mothers, wives, friends, even adversaries—will change dramatically as a result. "If only you had listened to us," they tell us on page one of Chandler Baker's *Whisper Network*, "none of this would have happened." "Exciting and sprinkled with razor-sharp insights about what it is to be a woman today, *Whisper Network* is a witty and timely story that will make you cheer for sisterhood." —Liv Constantine, USA Today bestselling author of *The Last Mrs. Parrish*

Wolters Kluwer

An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

**The Analects of Confucius** Platinum Publishing

"Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide." —Imbibe Magazine Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices.

Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that, at times, doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home. "Engaging and fun . . . I really can't recommend *Craft Coffee: A Manual* enough. If you're even mildly curious about brewing coffee at home, it's absolutely worth a read." —BuzzFeed

*Real Decorating for Real People* Lulu.com

Bored with all the anonymous groupies who provide him with everything he asks, famous sculptor Adam accepts an offer to lurk behind a voyeur screen at his agent's private club. Watching the magnificent Mistress Glory in action, Adam is so smitten that he can't decide if he wants to tame her or kneel before her. When Davinia helps her business partner at a book signing, the man of her wet dreams—a magazine's "Most Eligible Bachelor"—comes by to help publicize the event. Instant attraction turns to chagrin when he addresses her as Mistress Glory. As they explore what appeals to them in a different, exciting lifestyle, the journey takes explosive twists and turns. Add the agent and his obedient assistant, and anything can—and does—happen.

**These Writings** Xlibris Corporation

Punk rock culture in a preeminently average town Synonymous with American mediocrity, Peoria was fertile ground for the boredom- and anger-fueled fury of punk rock. Jonathan Wright and Dawson Barrett explore the do-it-yourself scene built by Peoria punks, performers, and scenesters in the 1980s and 1990s. From fanzines to indie record shops to renting the VFW hall for an all-ages show, Peoria's punk culture reflected the movement elsewhere, but the city's conservatism and industrial decline offered a richer-than-usual target environment for rebellion. Eyewitness accounts take readers into hangouts and long-lost venues, while interviews with the people who were there trace the ever-changing scene and varied fortunes of local legends like Caustic Defiance, Dollface, and Planes Mistaken for Stars. What emerges is a sympathetic portrait of a youth culture in search of entertainment but just as hungry for community—the shared sense of otherness that, even for one night only, could unite outsiders and discontents under the banner of music. A raucous look at a small-city underground, *Punks in Peoria* takes readers off the beaten track to reveal the punk rock life as lived in Anytown, U.S.A.

**Financial Shenanigans, Fourth Edition: How to Detect Accounting Gimmicks and Fraud in Financial Reports** Active Interest Media, Incorporated

The Directory of Corporate Counsel, 2020 Edition remains the only comprehensive source for information on the corporate law departments and practitioners of the companies of the United States and Canada. Profiling over 22,000 attorneys and more than 5,000 companies, it supplies complete, uniform listings compiled through a major research effort, including information on company organization, department structure and hierarchy, and the background and specialties of the attorneys. This newly revised 2 volume edition is easier to use than ever before and includes five quick-search indexes to simplify your search: Corporations and Organizations Index Geographic Index Attorney Index Law School Alumni Index Nonprofit Organizations Index Former 2016 -2017 Edition: ISBN 9781454871798 Former 2015 - 2016 Edition: ISBN 9781454856535 Former 2014 - 2015 Edition: ISBN 9781454843474 Former 2013 -2014 Edition: ISBN #9781454825913 Former 2012 -2013 Edition: ISBN #9781454809593 Former 2017-2018 Edition: ISBN #9781454884460 Former 2018 Mid-Year Edition: ISBN #9781454889250 Former 2019 Edition ISBN #9781543803488

**The Search for Redemption** O'Reilly Media, Inc."

The food industry is among the most competitive and globally-linked of all business sectors. For example, many of America's best-known food packagers, such as Heinz, get 30%, 50% and even higher percentages of their total revenues from outside the U.S. *Plunkett's Food Industry Almanac* will be your guide to the entire food business, from production to distribution to retailing. On the supermarket side, giant, nationwide supermarket chains like Albertson's and Kroger are battling the ever-increasing market share and incredibly low retail prices offered in the immense grocery departments at Wal-Mart Supercenters. Many retailers are learning how to successfully combine bricks-and-clicks, taking grocery orders online and then fulfilling those orders through existing supermarkets. Moreover, food producers, distributors and retailers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting new book (with database on CD-ROM) covers everything you need to know about the food, beverage and tobacco industry, including: Analysis of major trends and markets; Historical statistics and tables; Major food producers such as Kraft and Frito Lay; Retailers of all types, from convenience store operators to giant supermarket chains; Emerging technologies including genetically-engineered foods; Giant distributors such as Sysco; Beverage companies such as Coca-Cola; Wine, liquor and beer producers; Tobacco, candy and gum ; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. This book also includes statistical tables, a food industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of nearly 400 leading companies in all facets of the food and beverage industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

**The Sword of Michael** Platinum Publishing

Family Sin is the story of how one woman escaped a brutal past littered with childhood trauma and debilitating addictions. It spotlights her courage and insight and shows how she developed an understanding that helped her reconcile powerful negative emotions and break free of the chains that bound her to despicable family secrets.

**The Boy with the Painful Tattoo** Plunkett Research, Ltd.

Searching in an old cemetery for likely gravestones to illustrate her colonial cookbook, Mercy Howe meets two hunks who are tracing their common ancestry and sparks fly. Literally. When Mercy casually touches Seth and Adam, her vividly sensual vision involving all three of them seems like a memory, not a dream, and awakens long-dormant feelings. Their kisses are achingly familiar, and she welcomes each in turn. Then she spends a no-holds-barred weekend with both men and discovers an intimacy—and a past—that blows her mind. As memories resurface from three hundred years ago, Mercy will have to choose whether to help them relive the experiences from their joint past or to forge a new bond with either Seth or Adam. Or both.

**Punks in Peoria** Bloomsbury Publishing

The complete twenty books of philosophic discussion by Chinese philosopher Confucius are presented here anew in hardcover. Originally, these sayings and conversations were penned during the Warring States period of Chinese antiquity. The subjects range from wise behavior in times of crisis to instruction upon how to live a peaceful life characterized by serenity, humility and good work. The importance of family life and community cooperation are alluded to, offering insight into the mores and customs of ancient China. The politics of the time, rife with infighting between noble families and dukedoms, attract consideration of Confucius and his companions. To better illustrate his points, examples and analogies are readily offered by Confucius, who engages with other philosophers through the course of the twenty named books comprising the core text. This edition's translator is James Legge, a Scottish Sinologist who spent his lifetime in China translating the philosophical and artistic classics.

**Inns** Cengage Learning

Marigold "Goldie" Robbins is a vivacious and energetic sixty-six-year-old. Recently widowed and plagued with loneliness, she yearns for the companionship and romanticism she experienced as a younger woman. One day, while working out at her fitness center, Goldie meets a handsome, charismatic man who makes her feel young and desirable again. Despite the difference in their ages, Goldie quickly succumbs to his seductive charm and throws caution to the winds. She leaves the fitness center in the co

*Whisper Network* Independently Published

Jaren nadat Myron Bolitar zijn glanzende sportcarrière heeft moeten afbreken vanwege een geblesseerde knie, krijgt hij weer heel wat tegenslag te verduren. Zijn vaders hartaanval doet Myron in één keer beseffen dat zijn ouders niet onsterfelijk zijn. En Emily, die ooit zijn grote liefde was, neemt contact met hem op, met de mededeling dat haar dertienjarige zoon Jeremy doodziek is en zo snel mogelijk een beenmergtransplantatie moet ondergaan. Myron wil niets meer met Emily te maken hebben. Dus wil hij ook die ene passende donor die Jeremy zou kunnen redden en die spoorloos is verdwenen, niet voor haar zoeken. Totdat hij hoort dat Jeremy zijn eigen zoon is. Dan gaat hij eropuit, op zoek naar een man die een eeuwigheid geleden in het niets lijkt te zijn opgelost. Wat hij op het spoor komt is een machtige familie die vastbesloten is de kaken stijf op elkaar te houden.

**Practical chemistry** AuthorHouse

It's moving day at Chez Holmes. Somehow, against Kit's better instincts, he and J.X. are setting up house together. But while J.X. is off at a mystery fiction convention, Kit unpacks a crate that should contain old china. It doesn't. Within the mounds of Styrofoam popcorn is a dead body. A very dead body. There goes the neighborhood.

**The Girl's Guide to (Man)Hunting** Flatiron Books

The writings in this book started as a way to frame letters to friends, expressing thoughts about a particular moment. But as I became more alone over the ten-year span, it was as if I had to talk to myself. Its interesting how one becomes. One form of this is by talking to yourself as you write about them. These Writings covers the ups and downs of the years, the risks taken, the winnings and losings, and other memories. It is a collection of thoughts in solitude about becoming an island that nearly washed away but has reformed, has recovered, and has moved forward.
