A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy “Alex” Stern is the most unlikely member of Yale’s freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she’s thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world’s most prestigious universities on a full ride. What’s the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale’s secret societies. Their eight windowless “tombs” are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street’s biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

A Marvellous Light Moonclipse

Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. INSTANT NEW YORK TIMES BESTSELLER “A superb suspense writer...Brava, Ruth Ware. I daresay even Henry James would be impressed.” —Maureen Corrigan, author of *So We Read On* “This appropriately twisty *Turn of the Screw* update finds the *Woman in Cabin 10* author in her most menacing mode, unfurling a shocking saga of murder and deception.” —Entertainment Weekly From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs. Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she’s looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious “smart” home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn’t know is that she’s stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn’t just the constant surveillance from the home’s cameras, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn’t just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn’t even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman. It was everything. She knows she’s made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn’t always ideal. She’s not innocent, by any means. But, she maintains, she’s not guilty—at least not of murder—but somebody is. Full of spellbinding menace and told in Ruth Ware’s signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

The brilliant #1 New York Times bestseller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between

present and past, between royal will and a common man ' s vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith ' s son from Putney emerges from the spring ' s bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry ' s regime to the breaking point, Cromwell ' s robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune ' s wheel turns, Cromwell ' s enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry ' s cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell ' s journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age.
